DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

REPORTS OF "SYRENZS-2018"

As a chief coordinator, I deeply express my views about this "Syrenzs 2018" which was conducted on 27th January 2018. According to the mission and vision of SIET College, we the department of Electronics and Communication engineering is one of the premier departments which provides the knowledge to the students to meet global and industry requirement. Based on this we planned to conduct technical and nontechnical events.

With respect to that, we displayed the notice which consists details about the "Syrenzs 2018" through the department. Based on this we got a response of around **422** students from a various section of the ECE Department.

To groom our students to meet the industrial requirements, we organized different technical and nontechnical events. These events were coordinated by staff members and student coordinators of Electronics engineering society.

As a chief coordinator, I sincerely acknowledge thanks to all my faculties, coordinators and students to make this event very successful.
