

Memorandum of Understanding
Between
Sreyas Institute of Engineering and Technology
And
LR ARCHITECTS STRUCTURAL CONSULTANTS AND
CONSTRUCTIONS

This Memorandum of Understanding (MoU) is entered into as of 9th November, 2016, by and between the Sreyas Institute of Engineering and Technology and LR ARCHITECTS STRUCTURAL CONSULTANTS AND CONSTRUCTIONS

PURPOSE

The MoU is being signed on the prospect that both the institution and LR ARCHITECTS STRUCTURAL CONSULTANTS AND CONSTRUCTIONS collaborate on developing joint academic and research co-operation.

The partners have entered into this MoU because they:

- Recognize the mutual interest in the fields of R&D, training and dissemination of knowledge and also
- Recognize the importance of the industry - academia partnership within its field of expertise

The parties hereby agree to establish collaboration according to terms and conditions set out in the articles following hereunder.

SCOPE OF THE COLLABORATION

The general purpose of this MoU is to facilitate research, development and training cooperation between the parties based upon the principles of mutual benefit and may include the following general cooperation areas;

- 1) Joint collaborative R&D centre to be established at Institution
- 2) Exchange of visiting experts for the purpose of conducting research and training
- 3) Discussion for the exchange of facilities and equipment for collaborative or independent research based on the policies of both entities
- 4) Extend invitations for attending scholarly and technical meetings as well as national and international conferences
- 5) Professional skill, competence development and many such synergies of interdisciplinary research to be carried out through collaboration and networking of institution and LR ARCHITECTS STRUCTURAL CONSULTANTS AND CONSTRUCTIONS

GENERAL TERMS

1. This MoU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction and does not create any legally binding commitments
2. If the Parties later agree to undertake specific joint projects with legally binding obligations, they will be set forth in separate written agreements for such projects, setting out each Party's contributions, deliverables, and budgets
3. Both the Institute and LR ARCHITECTS STRUCTURAL CONSULTANTS AND CONSTRUCTIONS agree to share and utilize equipment, facilities, hardware, software and other materials & components developed in house in the area of co-operation if advisable within the framed rules governing both the organizations
4. Treatment of intellectual property rights developed through collaborations under this MoU will be determined between the Parties through mutual consultation and separate written agreements on a case-by-case basis.

CONFIDENTIALITY

The parties agree that there is no intention to share any confidential or proprietary information in any collaboration under this MOU. If either Party wishes to disclose information it considers to be confidential or proprietary to the other Party, the Parties will enter into a written non-disclosure agreement.

DURATION OF MoU

This MoU shall be effective for a period of three (2) years from the date of final signature. It may be modified, extended or terminated by mutual written agreement by the Parties.
