

TRANSFORMING SCHOLARS INTO TECHNOCRATS

OUR PASSION. YOUR EDUCATION.

B.TECH | M.TECH

EAMCET CODE : **SRYS**

FOR LEARNING THAT CONNECTS TO A BRIGHT FUTURE

VISION

To be a centre of excellence in technical education to empower the young talent through quality education and innovative engineering for well being of the society.

MISSION

Provide quality education with innovative methodology and intellectual human capital.

Provide conducive environment for research and developmental activities.

Inculcate holistic approach towards nature, society and human ethics with life long learning attitude.

GREAT MINDS. GREAT MOTIVES.

TEAM OF EXCELLENCE

SRI ANANTULA VINAY KUMAR REDDY
CHAIRMAN

A keen visionary, Sri Vinay Kumar Reddy has had an abiding passion to bring world-class education to Hyderabad. To translate this into reality, he has visited various universities across the world for observing and understanding the facilities that were being provided to their students to enable a better quality of teaching and learning. Prior to establishing Sreyas, he had worked at senior management level in various organizations.

SRI CHINTALA RAVINDRANATH YADAV
SECRETARY

A distinguished academician, with an M.B.A. degree to his credit, Sri C.Ravindranath pursued his Post-Masters in Business Administration from the University of North Carolina. He has been the key driver behind this institution, guiding its progress with his innovative ideas at every step of the journey to excellence. In his previous avatar, he had worked for several leading companies in the U.S. before moving permanently to India. Additionally, he also works with, and contributes actively to various State Government Projects.

SRI NIRVETLA SHARATH REDDY
TREASURER

A highly successful entrepreneur and multi-tasker, Sri Sharath Reddy manages three Software companies in India. He holds a Post -Graduation degree in Hospitality Management from Nicosia, Greece. He is passionate about making life for the students a pleasant and memorable experience and is the main conduit for introducing the very best of facility management tools and techniques, as well as the best infrastructure on campus.

PROF. P. N. MURTHY
DIRECTOR

A mentor and guide who interacts and talks to the students for understanding them and their needs better. He is efficiency personified when it comes to bringing in positive changes in the ambience and the system. Prof. P.N. Murthy, with his engaging spirit, he has been able to keep the momentum in driving the institution towards greater success year after year.

SHRI AKELLA SURESH
PRINCIPAL

With commendable, hands-on exposure in his field, Prof. Suresh Akella is an invaluable asset to the institution. His long experience and immeasurable knowledge base comes as a blessing to the students of Sreyas during the various discussions and seminars in the college.

ADMISSIONS : WALK THE TALK . . .TO SUCCESS

Once you find your path, to move forward on the way to the right knowledge is where Sreyas comes into the big picture. We believe that only those with exceptional knowledge, extraordinary experience and qualified training are fit to be the guides. Each time a student comes to Sreyas with a dream to realize, we leave no stone unturned to see that he or she walks out with the confidence and the clarity of being able to realize that dream. We foster and rekindle a spirit of achievement and impart leadership qualities to compete with the best and be a cut above the rest.

MECHANICAL ENGINEERING

FROM IDEA TO REALITY

DEPT. OF MECHANICAL ENGINEERING

A budding Engineer's mind is full of ideas. Raring to design a product and present it to the world and make a difference! At Sreyas, every student is provided with a platform to work on their ideas and bring them to life with all necessary counsel and tips from the learned faculty. With the facilities we provide and the training given by our highly-qualified, experienced and committed teaching Faculty, the students add wings to their ideas and make them fly high into the sky of reality.

Vision

To excel in Mechanical Engineering education ,Research anf Development through innovation and technology.

Mission

Provide quality education and skills to make the students globally sustainable Mechanical Engineers.

Provide research oriented industry interaction to create and disseminate practical knowledge.

Educate students about professional and ethical responsibilities for their career development and life long learning.

LABORATORIES

Engineering Workshop

Metallurgy & Mechanics of Solids

Thermodynamics

Production Technology

Kinematics of Machinery

Heat Transfer

Thermal Engineering

Mechanics of Fluids & Hydraulic Machines

CAD / CAM

Machine Tools & Metrology

Production Drawing & Instrumentation

ELECTRONICS & COMMUNICATIONS ENGINEERING

CONNECTING ELECTRIFYING IDEAS

Vision

To excell in electronics & communications engineering education with the knowledge of innovation, research and ethics.

Mission

To Provide academic environment that promotes student centric learning through quality education and state of the art infrastructure.

To make the students aspire towards innovation and collaborative research to meet the technological needs of society.

To engage the students in activities which inculcate professional practices with social concern.

DEPT. OF ELECTRONICS & COMMUNICATIONS ENGINEERING

A constantly evolving discipline that is at the leading edge of technology, Electronics and Communication Engineering at Sreyas is a hotbed of experiments and sparkling innovation. This course is specially augmented to cover Security in Communication along with all the requisite Software and Hardware.

LABORATORIES : Digital Signal Processing | Embedded Systems | Electronic Circuit Analysis | IC & PDC | Microwave and Optical Communication | e-CAD & VLSI | EDC | Microprocessors & Microcontrollers | Communications

COMPUTER SCIENCE & ENGINEERING

PROGRAMMING THE FUTURE

DEPT. OF COMPUTER SCIENCE ENGINEERING

The Computer Science and Engineering course at Sreyas strikes a perfect balance of theoretical study and practical application on highly advanced computing systems. Students are able to master the new technology purely by dint of the strong basics that are taught to them in each subject. Sreyas takes pride in providing fully equipped individual labs for every requirement that the students are likely to have.

Vision

To excel in computer science engineering education with best learning practices, research and professional ethics.

Mission

To offer technical education with innovative teaching, good infrastructure and qualified human resources.

Accomplish a process to advance knowledge in the subject and promote academic and research environment.

To impart moral and ethical values and interpersonal skills to the students.

LABORATORIES

IT Workshop

Computer Programming

DBMS

Linux Programming

Case Tool & Software Testing

Networking Programming

Data Structures through C ++

Web Technologies

Computer Networks / Operating Systems

Java Programming

CIVIL ENGINEERING

BUILDING A SMARTER WORLD

DEPT. OF CIVIL ENGINEERING

Civil Engineering has till today and for centuries been one of the most important branches of Engineering. It is an integral part of the emerging world of smart cities with automated living that would require rebuilding and recreating entire cities on a massive scale. Civil engineering students are taught the old with the new, the present with the emerging, to harness technology and emerging trends for the development of our country.

Vision

To create, preserve and promulgate knowledge of Civil Engineering for social, cultural, and economic well being of the society.

Mission

To provide quality education and training to make them competent Civil Engineers.

To provide practical exposure to students by offering real time education.

To develop entrepreneurship and ethics among the students to handle civil engineering projects independently.

LABORATORIES

Engineering Workshop

Surveying

Strength of Materials

Computer Aided Design

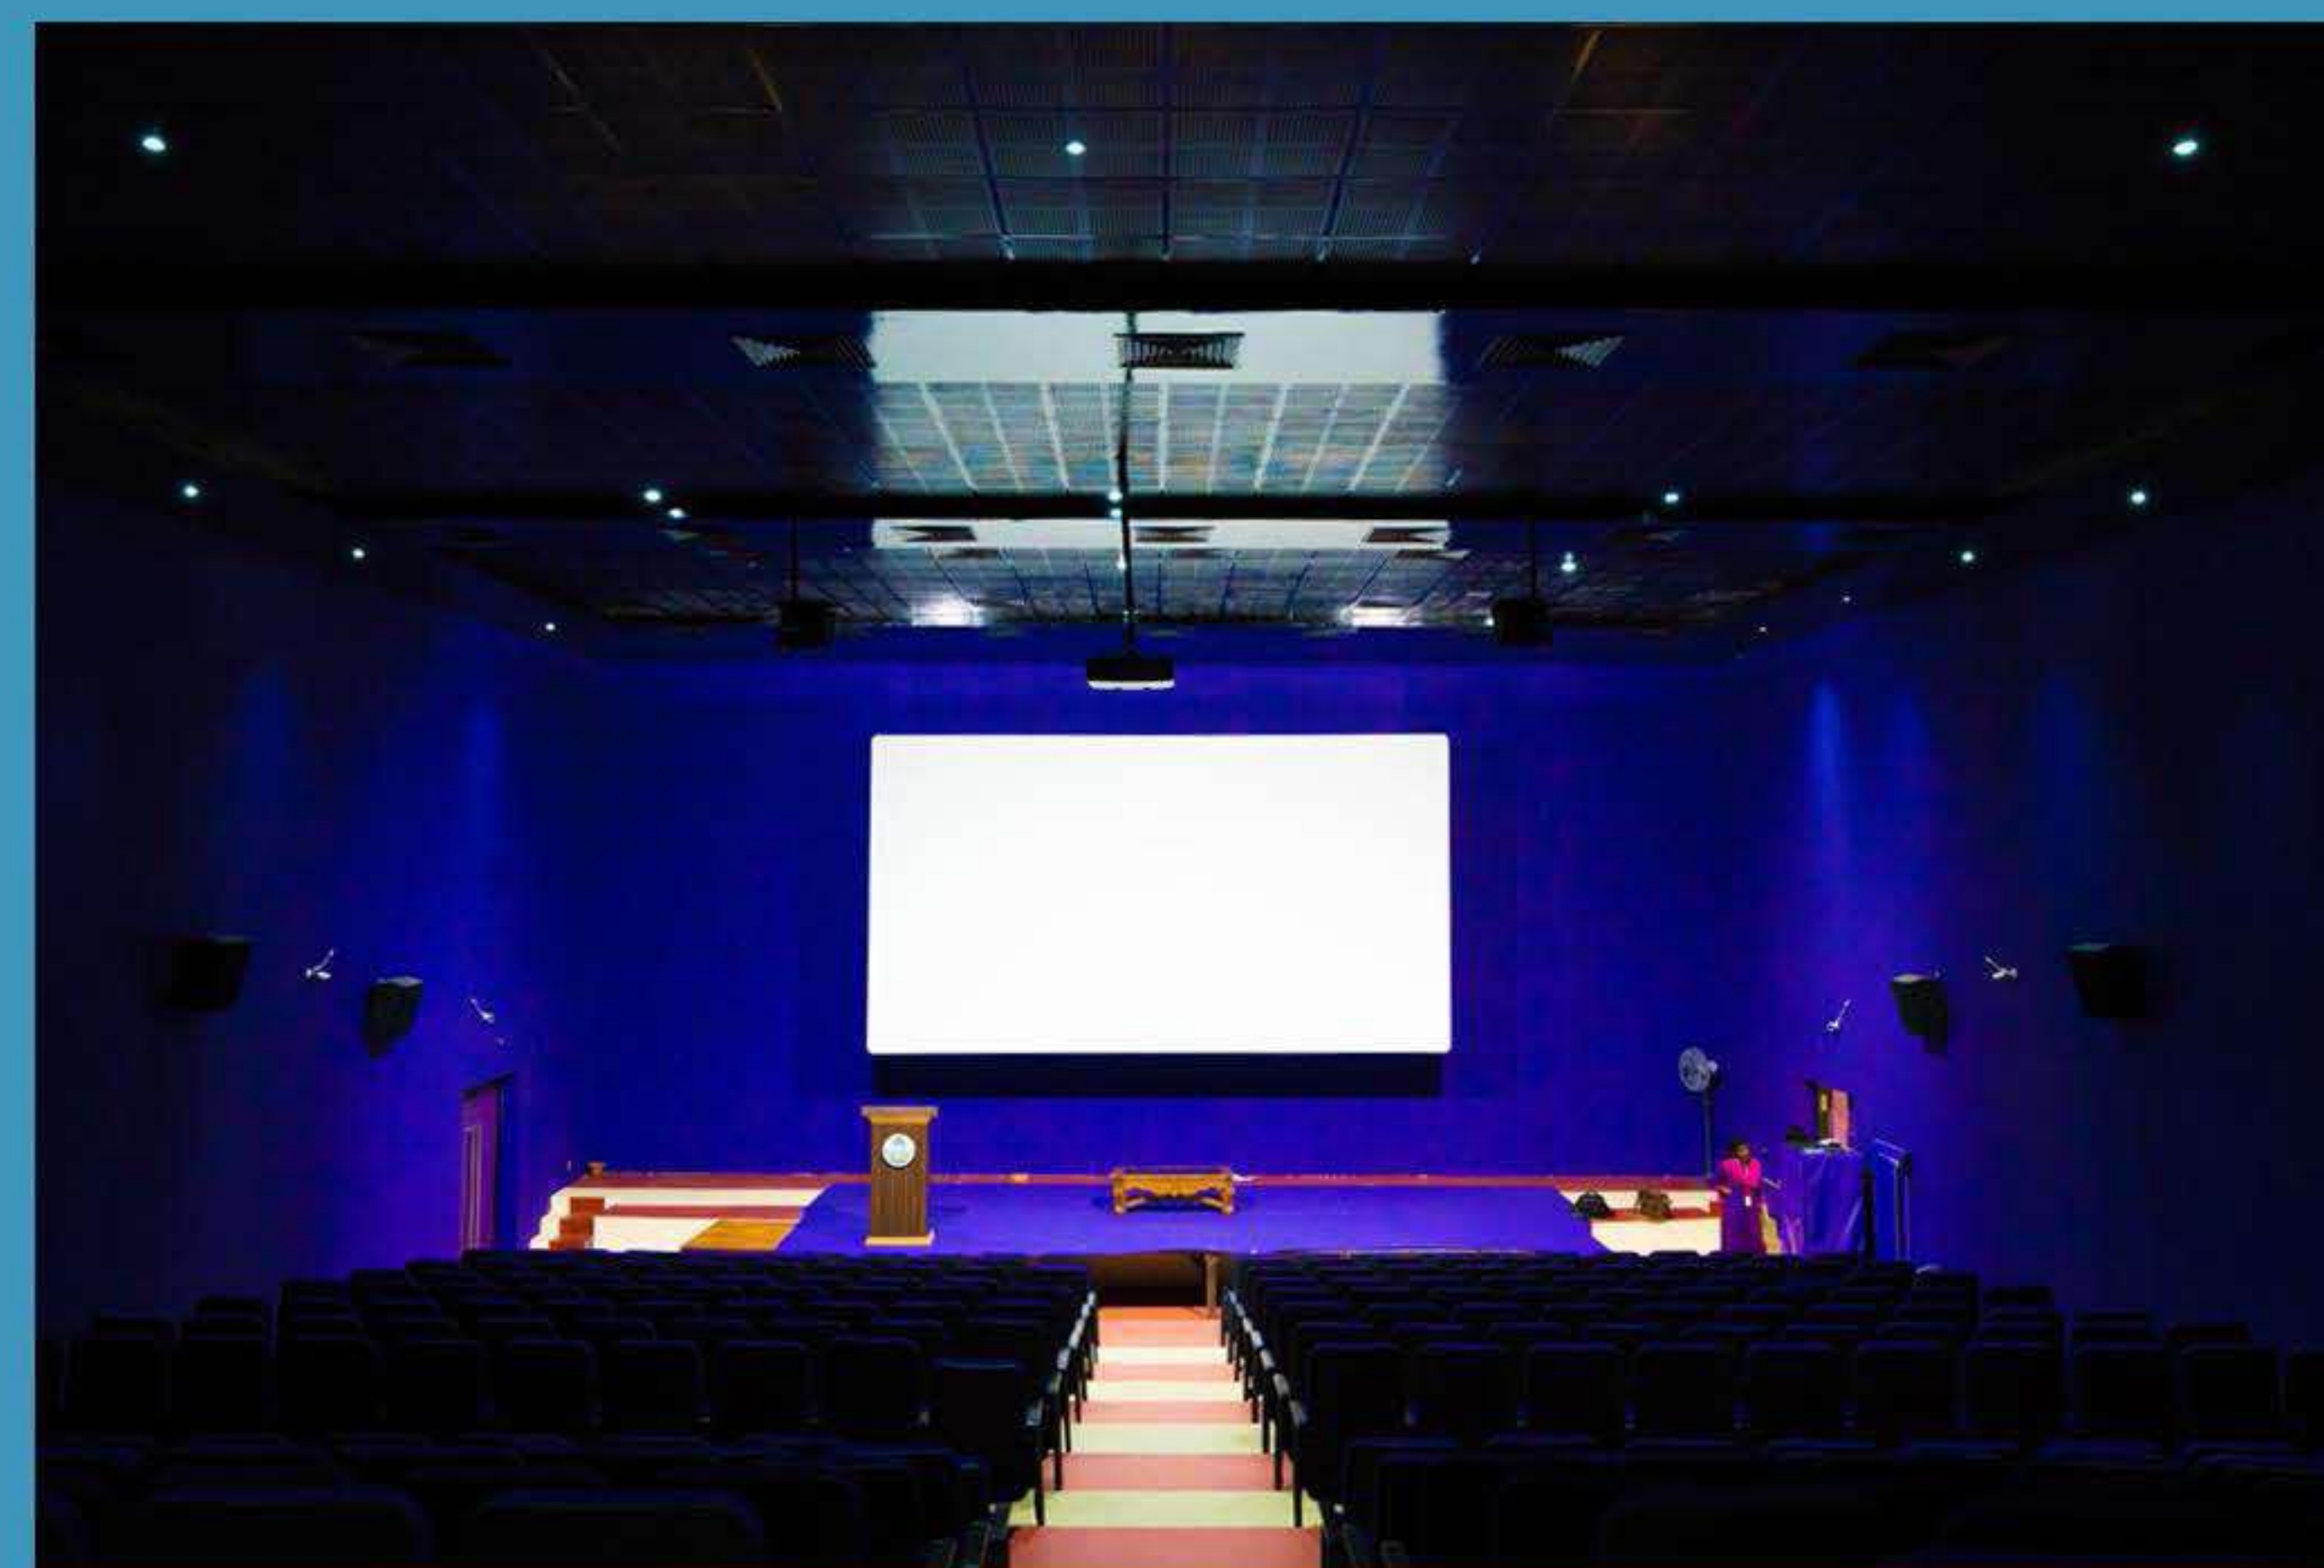

Fluid Mechanics & Hydraulic Machinery

Engineering Geology

Geotechnical Engineering

Concrete & Highway Materials

Environmental Engineering

HOLISTIC LEARNING, WHOLESOME CAMPUS

LIBRARY | AUDITORIUM | LIBRARY | WIFI

DIGITAL CLASS ROOMS | MINERAL WATER PLANT | ATM

Replete with all amenities and conveniences, Sreyas is a home away from home. Everything that the Students need – from books to snacks, from stationery to personal accessories are available on campus. A huge Library, well-stocked Canteen, even an ATM are at hand for all needs. A beautiful auditorium has been built for students to engage in co-curricular activities and passions with enthusiasm.

The background of the slide is a photograph of three male students in a laboratory setting. They are focused on their work, with one student in the foreground holding a small electronic component. On the table in front of them are various electronic projects, including a small drone with orange propellers and a custom-built robot with large white wheels and a black chassis. The students are wearing lanyards, suggesting they are at a formal event or competition. The overall atmosphere is one of active learning and innovation.

RESEARCH AND DEVELOPMENT CORE ENGINE OF INCUBATION

RESEARCH AND DEVELOPMENT

The Research and Development wing at Sreyas is home to innovation and thought leadership. Our R&D team brings in numerous ideas to the table and also tremendous value to our teaching staff as most of our professors are actively involved in research activities and inculcate this predisposition into the mind and the learning process of the student. We are constantly upgrading our Research

MORE REASONS TO LOVE SREYAS

EVENTS | SPORTS | CULTURAL EVENTS | ANNUAL DAYS | CONVOCATION

Sreyas regularly conducts intra-college events and fests and participates in all such inter-college events in the city. This helps students from across the city to come together and celebrate, exchange and develop new ideas. Students get a lot of exposure to their peers and counterparts in other institutions. Each student gets ample opportunities and a platform to develop hobbies and interests and showcase them to the world.
