My time at SIET was an experience I will cherish forever. I am very proud to be a Sreyan. My college has given me a wonderful life with good career and continuous motivation by helping me to excel in my academics. The friendly attitude of the staff and their willingness to always offer a helping hand has made me feel a part of the Sreyas family.

Mr. Varun

My faculty in CSE Department helped me transform from a computer enthusiast to an IT professional. For me, Sreyas is not just a college but a source of opportunities that helped me develop an all-round personality. I was encouraged to apply for my MS in an American University where I could further hone my skills, and grow into better professional and a better individual. I got admission for my Master's in the University of my choice in the US.

My four years in Sreyas College have been nothing less than what I had hoped for. I had supportive seniors and faculty, beautiful campus, quality education, real world experiences, and amazing friends. It was everything one needs from a college and a network developed for life. The growth I have seen in myself due to SREYAS is invaluable. It has taught me things far beyond bookish knowledge and helped me broaden my horizons.

”

Here studies are perfectly balanced with extracurricular activities to achieve overall development of the students. The professors here are all experts in their respective fields and as such are able to provide excellent technical knowledge to the students. This backed by an excellent infrastructure ensures that as students we get the best and latest technical knowledge. But what set us apart is that we also possess the more abstract skill sets like communication, teamwork and leadership skills that are an absolute necessity for success.

”

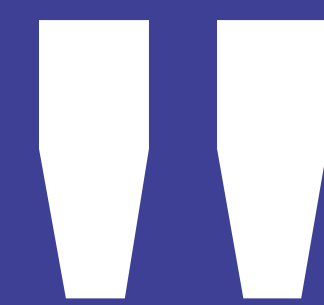

Mr. Yogesh Rathi

My passion for learning and my desire to pursue a career in Engineering has exponentially grown as a result of the nurturing environment offered by Sreyas faculty. They not only have provided superb academic instructions but also offered practical advice and helpful tips regarding career development. Their insights and constructive criticisms have sharpened my skills and motivated me to think about problems from new perspectives. Apart from regular curriculum, **Sreyas** provided custom designed value added certification courses for students to be Industry ready.
