

INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi | Affiliated to JNTUH, Hyderabad | Accredited by NAAC)
Hyderabad | PIN: 500068

3.4.1. Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

Our institution envisions its mission for “Holistic Development” of students, where it fosters educating and empowering the learners to realize their potential through righteous blending of knowledge, skills, and values for serving the society.

The college is progressively involved in conducting the outreach programmes for the welfare of the society and sensitizing the budding engineers towards social issues.

Response:

Institute NSS Unit and UBA organizes every year the orientation program for the first years to inculcate the importance of community service to sensitize and motivate them to enroll for the said programs. The extension activities by the above programs to inculcate volunteers towards social issues and holistic development in the neighborhood community in terms of impact and sensitizing students.

Various student chapters under various professional bodies were formed for the students at departmental levels. Students actively participate and organize various events through these chapters as per the departmental needs and requirements for overall development of students.

Unnat Bharat Abhiyan (UBA):

The institute empanelled in Unnat Bharat Abhiyan(UBA), Centre for Rural Development and Technology to build an understanding of the development agenda within institutes of Higher Education and an institutional capacity and training relevant to national needs, especially those of rural India.

Following list of activities were organized in the neighborhood community in the last five years under each support system:

Under UBA Scheme adopted Thattiannaram, Marripalli, Gowrelli, Surmaiguda, Thimmaiguda Villages in Ranga Reddy District and organized the following Community services thru UBA Scheme: (Other than NSS related Activities)

- Govt. Scheme Awareness - Program at Thattiannaram
- Govt. Scheme Awareness - Program at Thimmaiguda
- Swachh Bharat Action plan at Maripalli.
- Project competition conducted entitled “Tree plantation at Marripalli”.
- Clean India and NO PLASTIC awareness conducted at Gowrelli.
- Tree plantation at Surmiguda.
- Sanitation Awareness programme conducted at Thattiannaram and Marripalli.

National Service Scheme (NSS):

The college has undertaken several initiatives through which the students have contributed to local community and addressed various social issues. SIET has deployed many practices to enhance Societal Empowerment among students through various activities.

President Award

The NSS Unit of Sreyas received PRESIDENT AWARD (Indhira Gandhi National Award) for its Extension activities for the year 2017-18 on 24th of September 2019 in New Delhi with the cash prize of One Lakh and a Silver Medal. This award is testimony of the efforts put by the institute in the endeavor of social service.

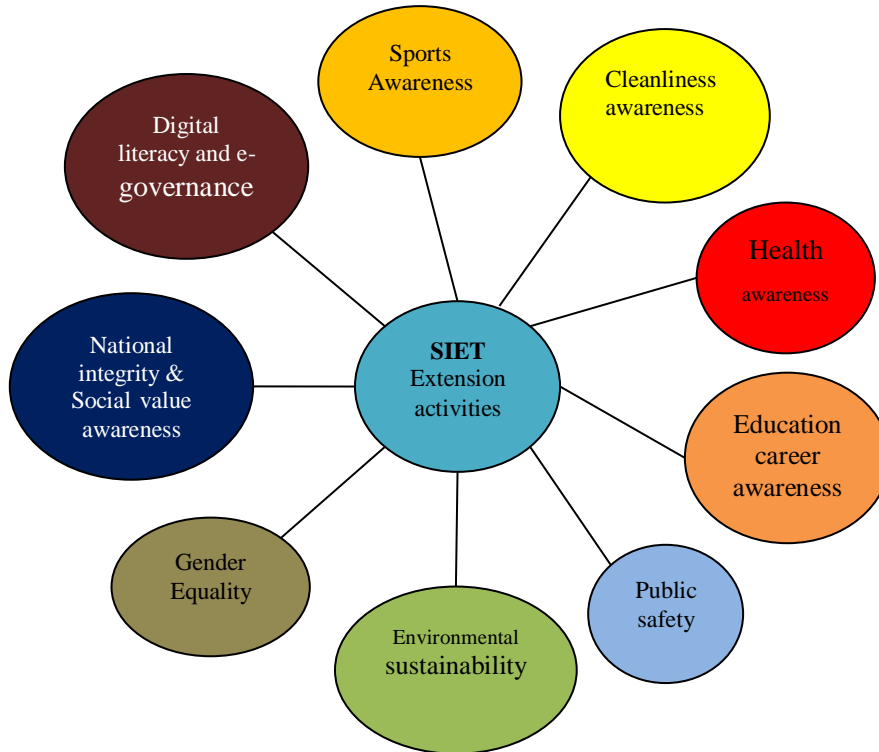

NSS Activities:

Some of the examples highlighting the impact of the extension activities undertaken by the institute in the neighborhood villages, availability of potable water, urge of the children for better education, role of individual and local government in up-keeping the surroundings, saving environment, taking healthcare of women in particular, through technical solutions.

To extend the actual benefits to the society, institute has adopted Pasumamula, Thattianaram and Thimmapur villages of Ranga Reddy district.,Telangana. Students volunteered to stay in the adopted villages for about 7 days, The SIET also funds Innovation Projects in adopted villages that are targeted towards finding solutions to various problems.

Details of the activities undertaken during last five years are mentioned in the following

Figure 3.3.1- SIET Extension Activities

The faculty members and students also organize and execute various events and activities to lend a hand to the neighborhood community through departmental student associations like Fort Cleanliness, Free Health Checkups, PUC Checkup & Donations to draught affected Farmers, provide Dictionaries to Govt. School children.

The college has organized interactive sessions on the campus to address issues like Bachpan Bachao, Gender Equity, Empowering Girls, Sexually transmitted diseases (STD's), breast cancer awareness, prevention of food wastage, SHE teams etc., from time to time. Students are encouraged to participate in activities like drama, dance and singing etc. done on special occasions, through which social messages are conveyed.

DAY -1

10th Nov 2019

VILLAGE-1 Thimmapur, kandukoor (mandal), Ranga Reddy (dist.)

Starting from the college

Under UBA Sreyas Institute of Engineering and Technology visited Thimmapur village, kandukoor mandal, Ranga Reddy dist. on 10th Nov 2019 along with Mahatma Gandhi National Council of Rural Education members. First met the sarpanch of the village G. Gopal Reddy and then visited government school in that village, met with Head Master and interacted with those school students also. Our volunteers then checked the surroundings of the school and observed primary school washrooms are not in use high school washrooms only using by everyone. In that also one washroom is not working. Water scarcity is also there. There is no proper drainage system.

The common problems identified in the village

1. Toilets are not there in the Anganwadi schools students are using open defecation
2. Open drainage system

3. Toilets hole is connected to septic tank in the ground

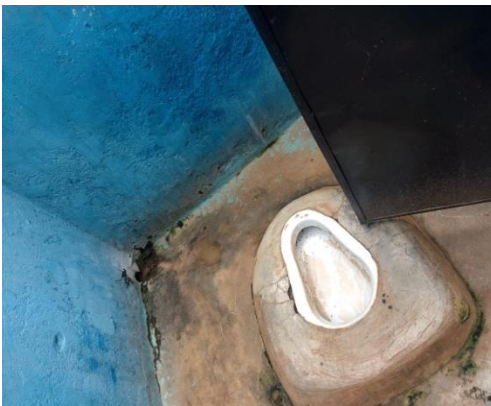

Asuresh

PRINCIPAL

SREYAS INSTITUTE OF ENGG.&TECH
9-39, Sy.No: 107, Tattiannaram (V)
GSI, Bandlaguda, Nagole, Hyd-68

4. Stagnant water at many house holds
5. Still some people are using open defecation
6. No proper toilet construction

7. Mosquitoes problem is there
8. There is no Rain water harvesting pits
9. Some are complained drinking water is mixing with drainage wateretc

Our action plan

1. To make the village 100% Open Defecation Free village
2. Planning to construct the toilets for anganwadi schools with the help of MGNCRE, College management and local bodies
3. To create Awareness on mentioned problems
4. To make the village 100% plastic free

every house in the village and interacted with them and got to know what are the major problems .The major problems are ,no proper washrooms .They have washrooms with either broken doors and no proper drainage system or no washrooms at all. If there are washrooms there is no proper water connection. Due to the worst drainage connections the water is getting stagnant on roads and where ever there is low lying area , due to the water which is getting stagnant people are suffering from Dengue, Malaria and Blood Infections due to mosquitoes...
