ANNUAL REPORT OF PLACEMENT CELL – 2018-19

The Annual report of the placement cell for the year 2018-19 regarding the planning for placements, placements of students in each branch along with the efforts put up by the cell for achieving the targets is presented here under.

Emails have been sent and calls made to HR personnel of different organizations to find expected intake and the skills sets of the students that each of the industry is expecting. Correspondence has been made with all the companies that have visited in the previous years. During the year 56 number of companies visited.

The students are trained in three phases. In phase-I, courses have been taught that improve verbal and nonverbal communication, reasoning and quantitative analysis. In phase-II, placement focused and industry focused training is imparted to all the registered students in summer vacation. Training in this phase includes coding using different kinds of languages, basic discipline based foundations related walkthrough, attending interviews, professional etiquettes, group discussions and rigorous practicing related to reasoning and aptitude. Phase-III, Industry specific CRT training is imparted for the registered students. In this phase, exposure is given to latest technologies such as Cloud Computing, IOT, Python, Communication systems, new development platform etc.

During the current year 56 number of companies including core sectors have visited for all Branches of students. A total of 416 number of students are placed with a pay package of ranging from Rs. 1.20 lakhs to Rs. 10.8 lakhs per annum. The details of placement undertaken branch wise are placed as below:

ANNUAL REPORT OF PLACEMENTS - 2014-15

The Annual report of the placement cell for the year 2014-15 regarding the planning for placements, placements of students in each branch along with the efforts put up by the cell for achieving the targets is presented here under.

Emails have been sent and calls made to HR personnel of different organizations to find expected intake and the skills sets of the students that each of the industry is expecting. Correspondence has been made with all the companies that have visited in the previous years. During the year seventeen companies visited the campus.

The students are trained in three phases. In phase-I, courses have been taught that improve verbal and nonverbal communication, reasoning and quantitative analysis. In phase-II, placement focused and industry focused training is imparted to all the registered students in summer vacation. Training in this phase includes coding using different kinds of languages, basic discipline based foundations related walkthrough, attending interviews, professional etiquettes, group discussions and rigorous practicing related to reasoning and aptitude. Phase-III, Industry specific CRT training is imparted for the registered students. In this phase, exposure is given to latest technologies such as Cloud Computing, IOT, Python, Communication systems, new development platform etc.

During the current year 17 number of companies including core sectors has visited for all Branches of students. A total of 146 numbers of students are placed with a pay package of ranging from Rs. 1.2 lakhs per annum to Rs. 3.25 lakhs per annum. The details of placement undertaken branch wise are placed as below:

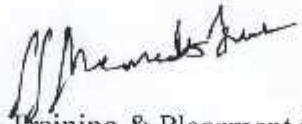

Placement details for 2014-15
