NSS UNIT

Our institution envisions its mission for “Holistic Development” of students, where it fosters educating and empowering the learners to realize their potential through righteous blending of knowledge, skills, and values for serving the society.

The college is progressively involved in conducting the outreach programmes for the welfare of the society and sensitizing the budding engineers towards social issues.

Institute NSS Unit and UBA organizes every year the orientation program for the first years to inculcate the importance of community service to sensitize and motivate them to enroll for the said programs. The extension activities by the above programs to inculcate volunteers towards social issues and holistic development in the neighborhood community in terms of impact and sensitizing students.

Various student chapters under various professional bodies were formed for the students at departmental levels. Students actively participate and organize various events through these chapters as per the departmental needs and requirements for overall development of students.
