The need for an Alumni Committee is to provide a platform and an interface to serve and to promote the mutual interests of the institution and its alumni.

**Function:**

To act as a bridge between the college and the alumni for interaction on new developments in different disciplines of engineering and to encourage the alumni to assist the college to promote R & D activities.

**Responsibilities:**

- 1) To maintain an up-to-date and detailed database of the alumni
- 2) To highlight the success of alumni to improve the credibility and reputation of the institute.
- 3) Plan and promote a platform for interaction between all stakeholders of Sreyas institute of engineering and technology.
- 4) Maintain healthy relationship with the alumni body
- 5) Assist management in creating an environment in the college which enables the students to have lasting memories.

To implement the above mentioned objectives, functions and responsibilities, we have formed a team of members mentioned below:
