INTRODUCTION

Sreyas Institute of Engineering and Technology (SIET) sponsored by Sreyas Educational Society is established in the year 2011 in the state of Telangana, under the leadership of Sri Ananthula Vinay Kumar Reddy, an eminent educationist with a social conscience and commitment. The Institute is located in a sprawling campus of about 10.02 acres, amidst sylvan surroundings with aesthetically built infrastructure. It has grown in its size and stature over the years, from an initial intake of 336 to 756 students. SIET is one of the premier Engineering Colleges in Telangana. The institute currently offers 4 undergraduate programmes (B.Tech) and 2 postgraduate programmes (M.Tech programs).

The institution Accredited by the NAAC with Grade B++ with a CGPA of 2.82 on 4 point scale in 2017, the institution is applying for the Re-Accreditation in its 1st cycle. National Board of Accreditation (NBA) has accredited B.Tech - UG – ECE and ME programmes for 3 years.

The institution with a vision of serving the society through value-based education has been making a mark in the educational map of this region. The institute offers academic programs with innovative curriculum, advanced research in cutting-edge technologies and societal engagement through outreach activities.

Our Pioneers

Sri Anantula Vinay Kumar Reddy – Chairman

A stoic, compassionate, multi-faceted visionary with a Post-Graduate Diploma in Marketing Management. He had served in frontline organizations in senior positions. Prior to the establishment of Sreyas, he visited several universities abroad and learnt their modus operandi and distinctive features. He has great ideas and is fully hands-on with the functioning of the institution.

Message from Chairman

Sreyas Institute of Engineering and Technology is a product of a dream and vision to excel and be a premier institution in the field of engineering. The college has the most modern and best infra structure. It provides a wide arena for the staff and students to showcase their academic and extracurricular activities. Our endeavor is to provide the students an exhilarating experience. The college is within the city limits yet in the midst of eco-friendly green surroundings. You will find nature and technology blending in our campus.

Sreyas will provide you with all the opportunity and liberty to discover yourself. The institution aims at encouraging the students to develop, master and gain the knowledge to the latest technology and global development. I believe that these will be the best years of your lives. The years you spend in our institution will shape your future and make you an excellent engineer and a wonderful human being.

On behalf of every member of this institution, I welcome you to our college. We will be here to guide and assist you all the way to achieve your goal and excel in all that you do while you are with us.

Sri Chintala Ravindranath Yadav , Secretary

A perceptive academician, with an M.B.A from Hyderabad, he pursued higher studies in U.S., and did his Post-Masters in Business Administration from University of California, U.S.A. He worked in leading edge organizations for several years in U.S. In India, he had the chance to work on many critical State Government Projects. His yeoman service to Sreyas is indispensable.

Secretary Message

We, at Sreyas Institute of Engineering and Technology are committed to build a congenial atmosphere for the next generation of engineers to excel professionally. Our endeavor is to meticulously sculpture our students of both B.Tech and M.Tech in being the best in their chosen fields. The main emphasis and mandate is excellence, perfection and all round development. We believe and understand that as educators have a special responsibility to nurture co-operation, tolerance and mutual respect in our diverse society. We expect the students of Sreyas to broaden their horizon both academically and culturally. The emphasis will be to make the college a place to promote freedom of thought, creativity and innovation which are essential to academic excellence. Sreyas guarantees its students better access to corporate world through summer internships. This in turn will lead them to good placements at the end of their course.

Sri Nirvetla Sharath Reddy , CEO / Treasurer

A highly successful entrepreneur, with a Post Graduation in Hospitality Management from Nicosia, Greece. He owns three Software companies in India and abroad. His foreign exposure leads Sreyas to compete in the Global market.

CEO & Treasurer Message

You'll find that everything at SREYAS is single- mindedly focused on addressing students' needs. We are clear that it is our responsibility to help our students to realize their goals in an increasingly competitive world.

At SREYAS, be prepared to be constantly challenged, whether it is in classroom or outside.

You can look forward to being trained by excellent and committed faculty, get hands-on experience in the state of the art technology in world class MNCs and building enduring bonds with your peers. The infrastructure at SREYAS is absolutely world class and you will build practical skills at laboratories and workshops. You will also enjoy a vibrant campus life with its diverse and enthusiastic student community. Finally, SREYAS is about always trying to push the bar a little more, constantly innovating and never standing still. If these are values you believe in too, you will do well at SREYAS. If you have the drive and determination, come to SREYAS and we will help you realize your dreams

Sri Anantula Hriday Reddy – Vice Chairman

The global economic order, the rapid rate of technological advancement, the information revolution, all have opened new series of challenges as well as opportunities. The ability to innovate and the capacity to adapt to latest technologies are going to be the forte in the new century. India's cherished vision to become super power can only be attained by its large high quality human power. The educational institutions especially those imparting technical education have to take the responsibility of developing and nurturing the world class engineers, technologists and managers. A no-compromise approach has shaped SREYAS into a finest center of study for the students. Spacious class rooms that are embedded with audio- video facilities,

round the clock high speed internet connectivity, well stocked library with national and international journals, state-of-the-art laboratories, vast sports out-field make SREYAS a force to reckon with. Sreyas Institute of Engineering and Technology is poised to take up this responsibility of providing the student community with world-class technical education in a perfect academic ambience. At SREYAS, we provide a holistic education that helps shape not just an individual but also a society

Dr.Suresh Akella, Principal
