INDUSTRIAL VISIT

Industrial visits bridge the gap between theoretical training and practical learning in a real-life environment. Learning from textbooks, lectures and other study material does not suffice for holistic learning. Hands-on learning is essential for better understanding of the theoretical concepts the students study and industrial visits allow them practically experience how these concepts are put into action. The industrial visits by students as a part of the curriculum facilitate them in strengthening their understanding of the theoretical concepts which they study as a part of a theory course and also provide an exposure of the corporate world. The details of the industrial visits made are, as listed below, but not limited to:

Industrial Visit Academic Year 2018-19:

Dear Sir / Madam,

Greetings From TASK !!

We are pleased to inform you that Oracle India Development Center (IDC), Hyderabad, approved to accommodate 100 students as part of TASK Industry visit series.

The main objective of the visit is to provide students with the opportunity to meet IT industry professionals and engage in a knowledge sharing session while getting an orientation to the available career options within the industry by which the students can plan, organize and engage in active learning experiences both inside and outside the classroom.

Oracle is looking for students currently pursuing **4th year 1st semester (CSE, IT & ECE only)** who are top performing in the class **limiting to 5 students per college** which helps extending the benefit to maximum number of colleges.

Details:

Date & Time: Tuesday , 09 October 2018, 10:00 AM to 16:00 PM

Reporting Time: 09:30 AM

Location: Hyderabad

Venue: Oracle India Pvt Ltd, Hyderabad Campus Phase III,
Plot 21, Hitech City Layout, Madhapur Village,
Serilingampalli, Rangareddy District, Hyderabad,
Telangana- 500081

Who Should Attend?

TASK registered 4th Year Engineering students from CSE, IT, ECE background.
Excellent Academic record (70% and above without backlogs)

In this regard, I request you to **provide only 5 students nominations** for the proposed Industry Visit (Preferably 3 male and 2 female students need to be nominated) in the **attached format** by end of the day.

Note: The students nominations will be confirmed on first come first serve basis.

Thanks and regards

Dear educational partner,

EPAM CSR Team is proud and excited to launch a volunteer **IT Vacation** for your engineering students at our Hyderabad office. This volunteer vocational/career guidance program helps your students understand Business trends and Practices that are followed in an IT industry. This immensely helps them to choose right career paths down the road.

We are pleased to inform you that your college is shortlisted to enroll in this project. If you are interested, please nominate your 3rd year students with the below requested information.

What is going to happen on IT Vacation day?

100 students across 14 colleges are invited to join this Program. Senior Directors/Engineers from EPAM India office will interact with the students in a group (about 25 students per group) and bri processes. Based on individual student's interest, students are allowed to join any of the **two** concurrent sessions – one in the morning and the other in afternoon.

Target Students:

- 3rd year students of CSE/IT/ECE only are allowed for nomination
- Maximum of 7 students are allowed to nominate from each college
- Teaching Faculty, maximum of 2, with Java teaching experience from each college
- Placement officer, 1 participant only
- Not more than total 10 members from each college

What will students learn:

1. Trends in SDLC (with the background of Mobile, IOT, Big Data, .Net, Java practices)
2. Business Verticals and Domains (Finance, Retail, Supply chain, Health care...)
3. Services Company vs Product
4. What is in IT !!!
5. Latest Job Roles of Software Industry
6. About EPAM

Venue:

EPAM India, 10 & 11th floors, Salarpuria Sattva Knowledge City, Opp to Inorbit Mall. Hitec City, Madhapur. Google map - <https://goo.gl/maps/4DoQvdr456PH3xnK8>

Date & Time:

Saturday, 22 June 2019 from 9:30 am to 4:30pm

Agenda:

- 9:30 to 10:00 - Reporting and Registration
- 10:00 to 11:00 - Common Session for all students @ Cafeteria
- 11:00 to 11:30 - Tea Break and Students to attend any one of the registered session in different conference rooms
- 11:30 to 13:00 - Concurrent Session 1
- 13:00 to 14:00 - Lunch Break
- 14:00 to 15:30 - Concurrent Session 2
- 15:30 to 16:30 – Assemble back @ Cafeteria for Closing ceremony. Group picture followed by Q & A session

Applications/Registration for participation in EPAM IT Vacation will be accepted in the below format. Please email us the needed information **before 4:00pm June 17th 2019**. Nominations received security reasons ONLY registered students/faculty will be allowed inside knowledge city campus.

IT Vacation career Guidance program at EPAM was conducted on Saturday 22nd June, 2019

Career Guidance

EPAM CSR Team has launched a volunteer **IT Vacation** program for engineering students at their Hyderabad office. This volunteer vocational/career guidance program helped our students to get to know more about current Technology, Business trends and Practices that are followed in an IT industry. This immensely helped them to choose right career paths down the road.

IT Vacation career Guidance program at EPAM was conducted on Saturday 22nd June, 2019

Subject: Seeking permission for Industrial Visit

Respected Principal,

I am writing this letter to seek your permission for the visit to industry based in New Industrial Area, to T-Hub at Gachibowli on the 13th of August. I would like to share that we have planned this industry visit for our students in order to give them an insight about the way things work in the real life scenario.

There would be a total of 30 students accompanied by a faculty member from our college. The visit is aimed at enhancing their knowledge. We intend to take a round of the entire industry and show the tasks handled in different departments to our students.

I hope you will allow us the opportunity to industry and meet your skilled staff. I anticipate a positive response from your end.

Thanks and Regards,

Coordinator

Subject: Seeking permission for Industrial Visit

Respected Principal,

I am writing this letter to seek your permission for the visit to industry based in New Industrial Area, to Deloitte at Hi-Tech City on the 17th of December. I would like to share that we have planned this industry visit for our students in order to give them an insight about the way things work in the real life scenario.

There would be a total of 5 students accompanied by a faculty member from our college. The visit is aimed at enhancing their knowledge. We intend to take a round of the entire industry and show the tasks handled in different departments to our students.

I hope you will allow us the opportunity to industry and meet your skilled staff. I anticipate a positive response from your end.

Thanks and Regards,
