### Circular

SIET/EDC/CR-01/2018-19

Date: 16.06.2018.

This is to inform all the EDC committee members to attend a meeting in EDC to discuss the following agenda at 3.00 PM on 16.06.2018

#### Agenda of the Meeting

1. To review and confirm the minutes of the earlier meetings (2017-18)
2. Attendance Sheet should be updated
3. The entire file of 2017-18 should be updated
4. Follow up work of the year 2017-18 MSME and ISHRAE projects.
5. Planning for EDC program training and development for 2018-19
6. Planning for industrial visits to enhance the entrepreneur skills
7. Planning to get more MOUs for more collaborative research projects of other organizations
8. Planning to invite eminent Resource persons from various organizations
9. Discuss National level conferences.

Mr.K.Sainath  
Coordinator EDC

#### Copy to:

1. Chairman's desk
2. Secretary desk
3. Principal
4. HODs
5. All the members of EDC

## ABOUT ISHRAE

---

The Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE), was founded in 1981 at New Delhi by a group of eminent HVAC&R professionals. ISHRAE today has more than 12,000 HVAC&R professionals as members and additionally there are over 10000 Student-members. ISHRAE operates from 41 Chapters and sub Chapters spread all over India, with HQ in Delhi. It is led by a team of elected officers, who are members of the Society, working on a voluntary basis, and collectively called the Board of Governors.

Ishrae Deccan Chapter among the most vibrant chapter of the society based at Hyderabad with over 750 members. and 5 Student Chapters.

---

## ABOUT ASHRAE

---

ASHRAE, the American Society of Heating, Refrigerating and Air-conditioning Engineers, is the premier international body in the HVAC & R field and has more than 50000 members worldwide. The mission of ASHRAE is to advance the arts and sciences of heating, ventilation, air conditioning, refrigeration and related human factors to serve the evolving needs of the public and ASHRAE members. It is the foremost and authoritative source of technical and educational information, standards and guidelines.

---

## ABOUT ISHRAE PROGRAMS

---

ISHRAE conducts Conferences, Seminars, Workshops and Exhibitions throughout the country with both national and international participants to discuss, promote and display the state of the art technologies, systems, products and services. ISHRAE organizes ACREX INDIA, the largest international exposition in South Asia on the Air-Conditioning, Refrigeration, Ventilation and Building services industry. Held annually, ACREX is considered to be a major opportunity to showcase the latest technologies / innovations, and provide a platform for buyer-seller meet for technical & commercial personnel in the HVAC& R field. Rendition of career guidance and financial assistance to students of the said sciences. Encouragement of scientific research.

---

## ABOUT THE INSTITUTION

---

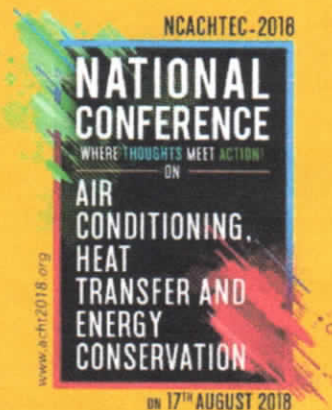

SREYAS Institute, located in the heart of the city Hyderabad, is the result of deliberation & planning of every aspect to create a world class technical education institution. The first impression as you enter the sprawling green and verdant campus of SREYAS leaves a lasting impression of innate calm and energizing growth.

---

## ABOUT THE CONFERENCE

---

The NCACHTEC 2018 Conference is an annual event, focusing on the Air Conditioning, Heat Transfer and Energy Conservation. The Conference provides a platform for scientists and engineers to share their research findings, exchange ideas, discover novel opportunities & bridge the gap between academia and industry.

Papers on various topics are welcome in the field of Air Conditioning, Heat Transfer and Energy Conservation.

Original research papers are invited in the following technical tracks as well as relevant to the theme of the conference from academicians, research scholars, PG students and industrialists.

# CONFERENCE COMMITTEE:

## PROGRAM CONVENER:

PROF. A. C. SEKHAR REDDY - SREYAS INSTITUTE  
MR. PANDURANG PRABHU, ISHRAE

## CONFERENCE CORDINATORS:

If you have developed any new product or any innovation, poster submission may be submitted under Track II and Track III separately.

## REGISTRATION

Log on to the conference website: [www.acht2018.org](http://www.acht2018.org) and register yourself under paper submission section. Prepare your full paper as per the article template attached in the website (MS Word format). Log in using your username and password to submit the paper online. After getting the acceptance of the paper only, you need to pay the registration fee.

All accepted and presented conference paper will be published in proceedings and selected papers will be published in reputed international journals after peer review as per the author's choice.

## PARTICIPANTS

### REGISTRATION & PUBLICATIONS :

The participants should register by sending the duly filled in registration form along with the registration fee on or before **30.07. 2018**.

Only registered candidate's papers will be considered for publications. SHREYAS International Journal of Scientists and Technocrats (ISSN: 2456-8783) or ISHRAE Journal. All registered papers abstract will be published with **ISBN number**.

**Mr. Sandeep Galhotra**

He Is a Trained Mechanical Engineer with over 24 years of Working Experience.

He is a founder Director of **M/s Radiant Air Systems Pvt Ltd & M/s Radical Air Tech LLP** , a pioneer manufacturing of High Quality HVAC Ducts in Hyderabad & Ahmadabad Respectively.

He is a vivacious member of ISHRAE & ASHRAE and currently serving the society as

- 1) President - ISHRAE - Deccan Chapter
- 2) President Elect - ASHRAE Deccan Chapter

He is an " Enthusiastic Social Citizen " and is actively engaged in various social and technical platforms.

### **N.S. CHANDRASEKAR, Chief Consultant & EA7122 Certified Energy Auditor**

N.S. Chandrasekar is the Chief Consultant at Genex Consultants, he has over 30yrs experience in the field of Heating Ventilation and Air-Conditioning (HVAC) and Refrigeration design, marketing, Construction, Project Planning, execution and practical exposure for Factories, high rise buildings, special applications and the rest. A progressive, ambitious and self motivated multi disciplinary consultant in Building Service with creative imagination to deliver innovative and high profile solutions with excellent analytical and negotiation skills.

Certified Energy Auditor from the bureau of Energy Efficiency India, holds a Masters Degree in Mechanical Engineering from Indian Institute of Technology (IIT) Kanpur, and holds a graduation degree in Mechanical from Calicut University, India.

### **Achievement as a Member in ASHRAE**

- Elected Member to serve in Handbook committee in 2019 HVAC applications sub-committee (Term 2015 - 2019) at society Head Quarters, Atlanta, Georgia, USA.
- Appointed Member to IEQ alliance adhoc committee for 2015 – 16 at society Head Quarters, Atlanta, Georgia, USA.
- President of ASHRAE DECCAN CHAPTER Hyderabad 2012 – 2013

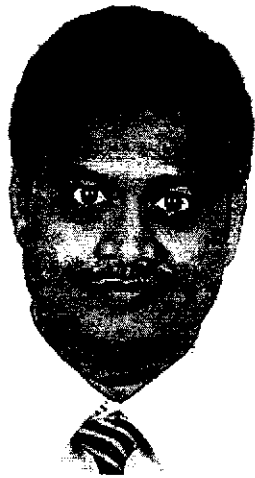

### **Achievement as a Member in ISHRAE**

- Chairman for IIE Deccan Chapter 2015 – 2016.
- Regional Director South 2 - 2014 – 2015.
- President of Deccan Chapter 2013 – 2014
- Distinguished Lecturer for ISHRAE
- Member of Marketing Committee ISHRAE HQ(2015-16)
- Member Acrex 2016 National Steering Committee

### **Active Member – Other Societies**

- Member Advisory Committee of IPA (Indian Plumbing Association) Hyderabad Chapter (2014-15)
- Committee for Organizing Engineering Professional Practice (State of Bahrain- Ministry of Work and Agriculture) Regd Engineer – Category A

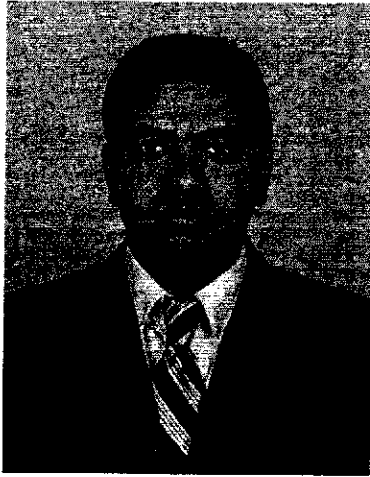

**Dr. RVSS Prasad, Phd**

- National Chair - Student Activities, ISHRAE HQ.
- Served as Secretary - ISHRAE Deccan Chapter - 2017-18 year.
- More than 29 Years of experience in Management, Engineering and Technology.
- Passionate towards learning and teaching always working towards to finding simple solutions to complex problems.
- **Currently Heading Quality and Marketing at Pavani Engineers, Hyderabad**
- Helps Students on Personality Development at Nadam Smile Institute, a Voluntary organisation.
- A Visiting faculty at University of Hyderabad, JNTUH and NMIMS delivering lectures on Quality Management, Operations Management, Optimization Techniques, Operations Research and Theory of Constraints.
- Visiting Faculty at Rail Tarang on Project Management
- Published 5 Papers in SCIT Journals and conferences at JNTUH and NMIMS.

- Sundar is a Mechanical Engineer with a M.B.A in Marketing.
- He has over 13 years experience in the HVAC / MEP Industry.
- Currently he is Manager - Sales, Electro Mechanical Projects Group, Blue Star Limited, Hyderabad.
- He has been associated with ISHRAE, since 2005.
- Chair for Student activities during the 2016-17, 2017-18, 2018 -19 Years in ISHRAE Deccan Chapter.

## **Brief Profile: SEBASTIAN JENSON**

Mr SEBASTIAN JENSON is the Founder Director of DILIGENT DESIGN CONSULTANTS at Hyderabad .

Mechanical Engineer by profession, He has over 30 years of Experience in Sales, Design, Installation, and Commissioning of turnkey HVAC projects for industrial & commercial applications, which includes 14 years in the Gulf countries like Saudi Arabia, United Arab Emirates & Qatar.

His MEP Consultancy career started in 2008 with Spectral Services Consultants as HOD for Hyderabad office and in 2015 he Joined Design Tree services Consultants Hyderabad as Technical Director & Branch Head.

He has been an active member of ISHRAE & ASHRAE Deccan chapter and has served Deccan Chapter in the following positions:

1. ISHRAE Deccan chapter -Treasurer, President Elect & President during 2010-11
- 2) ASHRAE DECCAN CHAPTER- GGAC-2016-17.
- 3) ASHRAE DECCAN CHAPTER- RP CHAIR-2017-18.
- 4) PRESENTLY ISHRAE REGIONAL DIRECTOR SOUTH-2 -2018-19 & ASHRAE DECCAN CHAPTER- ASST VICE REGIONAL CHAIR -RESEARCH PROMOTION.

# Anuj Gupta

---

Anuj holds a Bachelor's Degree in Electrical Engineering from the prestigious B.K. Birla Institute of Engineering & Technology, Pilani. He is an IGBC AP, ECBC Expert and heading the southern region of Design2Occupancy Services LLP, an engineering firm provides Green Building Facilitation, Energy Modeling, Commissioning, Energy Audits Services & many more.

His experience includes energy modeling, daylight simulation and thermal simulation of various kinds of buildings ranging from high rise to mid and low rise having various kinds of HVAC & R Systems. He has done various projects contributing to energy conservation measures related to building façade, Insulation, lighting and HVAC.

Being passionate about learning new things, he believes that, every day teaches us something new and whatever we do, it has to be done with full dedication and passion. With this belief he has been able to work on unique concepts, designs, articles, etc.

Dancing, drama, photography, organizing events with innovative ideas are a part of his work. Apart from these, he loves to travel. After being a volunteer of Nirmaan, a non-profit organization since 2013, his leadership skills came to the fore in 2014-15, as vice president of Nirmaan - BKBIET Chapter.

He is a diligent member of technical societies like ASHRAE, ISHRAE, FSAI and ISLE. Currently, he is a YEA Chapter Chair at ASHRAE Deccan Chapter, Youth Chair at ISHRAE Deccan Chapter, National Marketing Committee Member of ISHRAE, Member of FSAI, ISLE and Marketing Coordinator of Urfavaran, a National flagship event of ISHRAE.

## **Chakradhar Majety**

**Founder Director at Dhanush EnggServices (India) Private Limited Dhanush  
EnggServices (India) Private Limited**

We are now a company with 150+ employees.

We have skilled 15000+ professionals in MEP industry till now from inception.

We are working on a project which will be beyond ourselves and NSDC.

We are working towards ***"Financial Freedom for 1 million unemployment youth of our country by SKILLING"***

<b>HOW</b>	<b>PRESENT</b>
100 Location	8 Locations Active
100 Courses	12 Courses
100 Partnering Leaders	1 Leaders

### **Started New Locations**

April 18 - Mumbai, Bangalore

June 18 - Chennai

We are the First MEP Training Institute in India to get NSDC Funding for training and Placement of 1,00,000 MEP Professional.

We are looking for companies willing to associate with us for MEP Skilled Manpower and Corporate Training's to Up-skill their Professionals. Employers looking for Entry Level Trained / Skilled Engineers and Technicians can reach our Placement Cell: [placementcell@mepjobsindia.com](mailto:placementcell@mepjobsindia.com)

### **We make unemployed - Employable**

We are providing Job Oriented Training Programs from last 14 years at Dhanush (MEP Centre) which was established in 2004. Dhanush collaborated with experienced industry experts to create relevant industry specific courses to improve the competency and knowledge of students. These have been welcomed by the student community as well as the industry. Our high placement rate is testimony to this.

### **Manpower Supply**

Dhanush is an acknowledged leader in the MEP Manpower placement services and we are the preferred partner for 300 leading firms in this industry. Employers looking for Entry Level Trained / Skilled Engineers and Technicians can reach our Placement Cell. (placementcell@mepjobsindia.com)

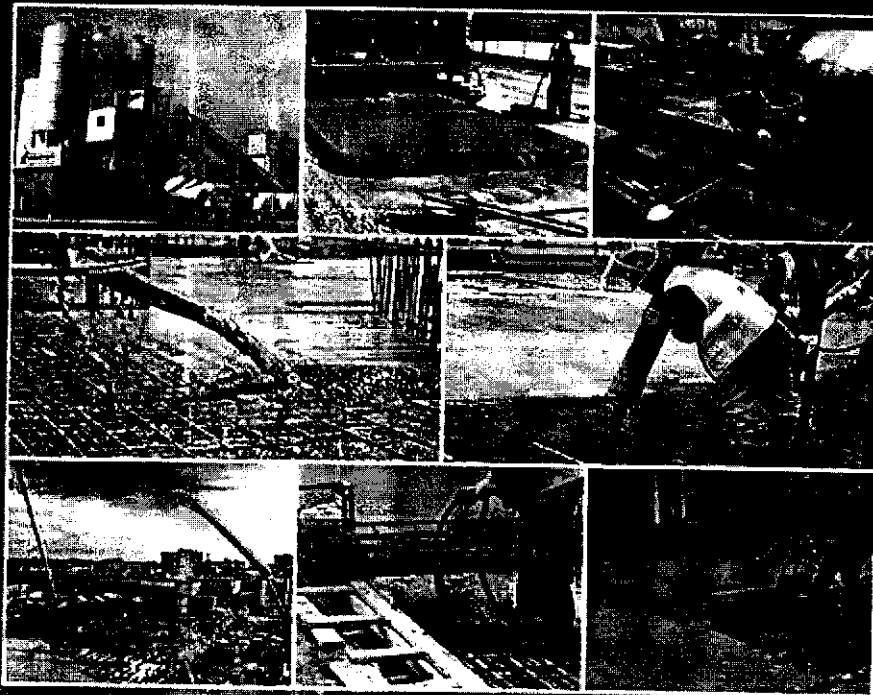

We provide Manpower to the companies which are into HVAC, Electrical, Plumbing (MEP) , Engineers and Technicians.

Corporate Training for Companies in MEP Execution, Designing and Drafting services for HVAC, Electrical and Plumbing Services.

# The Institution of Engineers (India)

**Venue :**

**"Visvesvaraya Bhavan", Khairatabad, Hyderabad – 500 004, India**

## **ABOUT THE INSTITUTION OF ENGINEERS (INDIA)**

The Institution of Engineers (India) or IEI is the largest multidisciplinary professional body that encompasses 15 engineering disciplines and gives engineers a global platform to share professional interest. IEI has membership strength of more than 0.8 million.

Established in 1920 with its Headquarters at 8 Gokhale Road, Kolkata – 700 020, IEI has served the engineering fraternity for over nine decades. In this period of time it has been inextricably linked with the history of modern-day engineering.

In 1935, IEI was incorporated by Royal Charter and remains the only professional body in India to be accorded this honour. Today, its quest for professional excellence has given it a place of pride in almost every prestigious and relevant organizations across the globe. IEI functions among professional engineers, academicians and researchers. It provides a vast array of technical, professional and supporting services to the Government, Industries, Academia and the Engineering fraternity operating from 122 Centres located across the country. The Institution also provides grant-in-aid to its members to conduct research and development in engineering subjects.

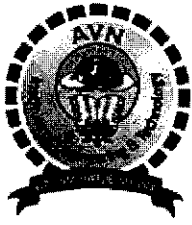

IEI conducts Section A&B Examinations in different Engineering disciplines, the successful completion of which is recognized as equivalent to Degree in appropriate field of Engineering of recognized Universities of India by the Ministry of Human Resources Development, Govt. of India. Every year as many as 90000 candidates appear for these exams.

For details, please see: [www.ieindia.org](http://www.ieindia.org)

### **THE INSTITUTION OF ENGINEERS (INDIA), TELANGANA STATE CENTRE**

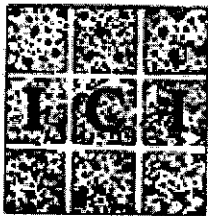

The Telangana State Centre of The Institution of Engineers (India) has on its rolls 8234 Corporate members covering fifteen disciplines of Engineering besides non-corporate Members of the order of 19,791. The Telangana State Centre has been one of the most active Centres in translating the objectives and ideals of IEI into practice. The present Telangana State Centre is legacy of erstwhile Hyderabad State Centre of Nizam's Hyderabad State.

## **ABOUT AVN INSTITUTE OF ENGINEERING & TECHNOLOGY**

AVNIET, a premier institution offers engineering education in the streams of CSE, ECE, EEE, CIVIL and Mechanical under UG and PG programs. AVNIET was started under the leadership of Chairman Sri.AVN Reddy with a motto of "SWAYAM TEJASWIN BHAVA" i.e, to produce job providers rather than job seekers. Established in 2009, it is affiliated to Jawaharlal Nehru Technological University (JNTUH), Hyderabad, and is approved by the All India Council for Technical Education (AICTE), New Delhi with an annual intake of 690 students.AVNIET is dedicated in transforming the students into highly competent engineers with high level of motivation, Professional skills and self-confidence to achieve excellence in the field of engineering education. The Principal of college is Dr. Y.Ellamraj, a doctorate from IIT Bombay and having 3 decades of academic experience.The Civil Engineering Dept was established in the year 2009 having UG and PG programs and is headed by Dr.Md.Subhan. The College has International exposure through our Director, Sri Pavan Reddy due to which AVNIET has very good Placements.

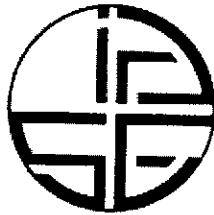

## **INDIAN CONCRETE INSTITUTE (ICI)**

Indian Concrete Institute was founded in 1982 to cater to the unique needs of individual and organisations in the concrete sector. Today, ICI is a strong professional body with more than 12,000 enrolled members affiliated to 38 Regional Centres in major cities across the country. Cement Manufacturers, Consultants, Academicians and Educational Institutions are actively involved in various initiatives undertaken by the ICI. Through workshops, Conferences, Seminars and training programmes, ICI inculcates good construction practices amongst engineers and trade organisations. ICI also encourages student participation and has 175 students' chapters with over 15000 student members. ICI has been an active participant in the Asian Concrete Federation and has also collaborated with institutes like Singapore Concrete Institute and Concrete Institute of Australia.

## **IAStructE**

The Indian Association of Structural Engineers, identified as IAStructE, was conceptualized and constituted in the year 2002 by a group of senior professional Structural Engineers from all regions of the country. It was registered under the Societies Registration Act on 20<sup>th</sup> December 2002. IAStructE has completed more than 13 years of eventful progress in enhancing its professional status as well as credibility in the Country. The Indian Association of Structural Engineers (IAStructE) is a professional body whose membership also comprises very prominent structural engineers from India. IAStructE has a Memorandum of Understanding with Institution of Structural Engineers (IAStructE) UK for mutual cooperation and professional advancement. The Association has the prime responsibility, on the one hand to enhance the knowledge base and professionalism amongst the engineers, while on the other, to look after their interests. IAStructE promotes initial Professional Development (IPD) and Continuing Professional Development (CPD) courses for its members and like-minded professionals practicing in general civil and structural engineering. IAStructE has been organizing Seminars regularly on different topics of interest to engineers, planners, contractors, suppliers and all stakeholders. IAStructE has its headquarter in Delhi and State Centres functioning in Ahmedabad, Bengaluru, Hyderabad, Chennai, Kolkata, Mumbai, Noida and Visakhapatnam.

## **RMCMMA**

The Ready Mixed Concrete Manufacturers' Association (RMCMMA), India, is a non-profit industry organization of leading ready mixed concrete producers from India. The RMCMMA is a registered body under the Registrars of Societies Act 1860 (Bylaw 21) of the Government of Maharashtra, India it was established in March, 2002. The vision of RMCMMA is to make ready-mixed concrete the preferred building material of choice across the whole of India. The RMCMMA is committed

to provide leadership to the ready-mixed concrete industry in India. It advances the interests of the entire ready mixed concrete industry in India, without sacrificing the interests of end users, designers, specify owners and others. It provides a variety of services to its Members in respect of trade, commerce, promotion, education etc. connected with ready mixed concrete. The RMCMA will encourage the sustainable development of concrete industry in India and its staff and Members would strive to emphasize the fact that concrete is the best environmental-friendly material of construction available today. The RMCMA would provide latest information on products and services to all its Members so that they are able to upgrade their operations continually. It would share the latest developments in concrete technology with its members and the customers of ready mixed concrete. RMCMA would strive to expand the market for ready mixed concrete in India. It would endeavor to bring a large majority of RMC manufactures under its fold so that a strong combined voice of the industry can be used to find meaningful solutions on various issues hindering the healthy growth of the industry. The RMCMA staff and members would work in a spirit of co-operation and ensure that the ready mixed concrete industry operates harmoniously within communities and the society at large.

### **INTRODUCTION:**

The Institution of Engineers (India), Telangana State Centre has been conducting All India Seminars under the aegis of Civil Engineering Division on Civil subjects of national importance and of relevance to the issues that need to be addressed by the Central and State Governments.

This year, the IEI, Telangana State Centre has contemplated to conduct Two-Day All India Seminar on "Recent Developments in Concrete Composites" during 24-25 August, 2018 under the aegis of Civil Engineering Division, IEI.

### **ABOUT THE SEMINAR**

Concrete as the most widely used construction material has undergone many improvements so as to use it for any kind of situation. By adding mineral admixtures the basic cement concrete mix has been made more

workability stronger & durable. With the addition of chemical admixtures the workability and flow properties of concrete have been vastly improved. Metallic and non metallic fibres are being employed for improving the strength and ductility properties. Continuous research in the area of concrete technology has led to the development of High Performance Concrete, Fibre reinforced concrete, Recycled aggregate concrete, Self compacting concrete, Geo polymer concrete, Ultra high strength concrete composites etc. Further research work is being carried out to develop optimum concrete composites to meet all kinds of construction requirements.

The Seminar will discuss the latest developments taking place on concrete composites.

**The aim of the Seminar:**

The Institution of Engineers (India) is one of the Premier bodies of National Technocrats showing concern for stakeholders of the Concrete Composites. Hence it was decided to organize the theme actually to bring out considered view points and recommendations through its State and Local Centres.

It is proposed to involve working Engineers, Students and Faculty of Civil Engineering from Academic institutions, Concrete Experts, working professionals from Industry, Central and State Government Departments and PSUs in the fields of Civil, Structures and construction Industry.

**PROGRAMME MODULE:**

The seminar consists of Inaugural session, five technical sessions, Panel discussion and valedictory session. Experts from both industry and academia and researchers are being approached to deliver invited lectures broadly on the theme and following sub themes of the All India Seminar. Besides the invited talks, a limited number of selected technical papers are also planned for presentation in the Seminar

**THEME: "Recent Developments in Concrete Composites" (RDCC-2018)**

**Sub-Themes:**

1. Utilization of mineral and chemical admixtures in concrete
2. Fibre reinforced concrete with metallic and non metallic fibres
3. High performance concrete and ultra high strength concrete
4. Self compacting concrete
5. Concrete with recycled materials
6. Geo polymer concrete and any other recent developments

**VENUE:** The Seminar will be held at the Institution of Engineers (India), Telangana State Centre, Visvesvaraya Bhavan, Khairatabad, Hyderabad – 500 004 during 24-25 August, 2018.

**INVITED SPEAKERS:** It is the endeavor of the Organizing Committee to invite professionals in the area of Construction Sector, academia and researchers to present Invited Talks in the Seminar.

**CALL FOR PAPERS:** Technical Papers are invited on the theme / Sub-Themes of the Seminar.

Each Technical paper contributed by an author may not exceed 5000 words, with relevant tables and figures (each table / figure shall be equivalent to 500 words) in MS word.

**Last Date for receipt of full paper with soft copy by email is on 10<sup>th</sup> August, 2018**

**PROGRAMME:****August 24, 2018 (Friday) - First Day**

1000 hrs – 1100 hrs	Registration of Delegates
1100 hrs- 1145hrs	INAUGURAL SESSION
1145 hrs – 1200 hrs	HIGH TEA
1200 hrs – 1330 hrs	TECHNICAL SESSION –I
1330 hrs – 1430 hrs	LUNCH
1430 hrs – 1600 hrs	TECHNICAL SESSION – II
1600 hrs – 1615 hrs	TEA
1615 hrs – 1745 hrs	TECHNICAL SESSION – III

**August 25, 2018 (Saturday) – Second Day**

1000 hrs – 1130 hrs	TECHNICAL SESSION – IV
1130 hrs – 1145 hrs	TEA
1145 hrs – 1315 hrs	TECHNICAL SESSION V
1315 hrs – 1400 hrs	LUNCH
1400 hrs- 1530hrs	PANEL DISCUSSION
1530 hrs – 1600hrs	VALEDICTORY SESSION

**PARTICIPATION:**

The All India Seminar on "Recent Developments in Concrete Composites" (RDCC-2018) is an ideal platform for personnel working in Construction Industry, Consultants, Faculty and Students of Engineering Colleges and Research Organizations.

**TECHNICAL VOLUME:**

Technical Volume (size A4) will be brought out on this occasion for distribution to the delegates as well as to various related organizations across the country. The tariff of advertisements from various organizations for publishing in the Technical Volume is indicated below:

Back Cover (Outside) Multicolored	Rs. 40,000/-
Front Cover (inside) Multicolored	Rs. 30,000/-
Back Cover (inside) Multicolored	Rs. 20,000/-
Full Page (Inside) Multicolored	Rs. 15,000/-
Size of Technical Volume .....A4	

NOTE: 18% GST EXTRA

**REGISTRATION FEE:**

Registration of delegates will be made in advance on payment of registration fees as indicated below along with filled in registration form and other requirements:

Corporate Members of IEI	Rs. 1000/-
Non-Member – Individual /	Rs. 1500/-
Sponsoring delegates from organizations	

Engineering College Students

Rs. 200/-

Group registration (5 and above) from Educational Institutions will have concessions in delegate fee which will be Rs. 150/- for registration for each candidate.

NOTE: 18% GST EXTRA

**SPONSORSHIP: Tariff for sponsorship is given below:**

Categories	Privileges and Sponsorship
<b>Platinum Sponsor</b>	<b>Rs. 1,00,000/-</b> [3 delegates + inside full page advertisement free]
<b>Gold Sponsor</b>	<b>Rs. 60,000/-</b> [2 delegates + inside full page advertisement free]
<b>Silver Sponsor</b>	<b>Rs. 40,000/-</b> [1 delegate + inside half page advertisement free]
<b>Sponsoring One Lunch</b>	<b>Rs. 30,000/-</b> [Sponsorship will be acknowledge by displaying banners indicating the names of Sponsors and half-page inside advertisement.]
<b>Delegate Kit</b>	<b>Rs. 25,000/-</b> [Those who contribute for delegate kits, their names will be printed inside flap of the kit]
<b>High Tea</b>	<b>Rs. 15,000/-</b> [Sponsorship will be acknowledged by displaying banner indicating the names of sponsors]

**NOTE: 18% GST EXTRA**

**PAYMENTS:**

All payments are to be made through A/C payee cheque / RTGS/ NEFT

**BANK ACCOUNT DETAILS:**

Chairman:	<b>Dr S Satyanarayana</b> , FIE, Chairman, IEI, TSC
Co-Chairman	<b>Dr P Suryanarayana</b> , Director, HMWS & SB, Hyderabad
Org. Secretary:	<b>Dr G Rameshwar Rao</b> , FIE, Hon. Secretary, IEI, TSC
Convener:	<b>Dr G Shravan Kumar</b> , FIE, Jt. Hon. Secretary, IEI, TSC

### MEMBERS:

- Er B Ananta Ramloo**, FIE, Member, IEI, TSC
- Er M Shyam Prasad Reddy**, MIE, Member, IEI, TSC
- Dr S Nagabhushana Rao**, FIE, Past Chairman, IEI, APSC
- Prof. P Jagannatha Rao**, FIE, Head, Civil Engineering Department ACE Engineering College, Hyderabad.
- Prof. V Bhikshma**, Professor of Civil Engineering, University College of Engineering, Osmania University, Hyderabad.
- Prof. B Dean Kumar**, Director, Bureau of Industrial Consultancy Services, JNT University, Hyderabad.
- Er Y Chandra Sekhar**, FIE, Chief Designer, Sandilya Consultants, Hyderabad.
- Mrs. Manjula Vani**, Prof. & Head, Dept. of Civil Engineering, JNTU College of Engineering, Hyderabad.
- Dr Y Ellam Raj**, FIE, Principal, AVN Institute of Engineering and Technology, Hyderabad
- Er N Mavul Rao**, Hon. Secretary, ICI, Hyderabad Chapter
- Er C Yedukondalu**, Member – RMCMA
- Md. Abdulkalam**, Professor & Head, Civil Engineering Department, Sreyas Institute of Engineering and Technology, Hyderabad.
- Er S S Mouray**, Technical Head, Maha Cement, Hyderabad
- Dr V Mallikarjuna Reddy**, Professor and Head, Dept. of Civil Engineering, Gokaraju Rangaraju Institute of Technology, Hyderabad.
- Shri S Vijaya Kumar**, MIE, Associate Professor, Department of Civil Engineering, Vasavi College of Engineering, Hyderabad

## TECHNICAL COMMITTEE

Chairman: **Prof. K V L Subramaniam**  
Professor, Dept. of Civil Engineering  
Indian Institute of Technology, Hyderabad

Co-Chairmen: **Prof. B L P Swamy, FIE**  
Professor, Dept. of Civil Engineering  
Methodist College of Engineering &  
Technology, Hyderabad.

**Er S P Anchuri, MIE**  
Jt. Hon. Secretary, IEI, TSC

## MEMBERS

**Prof. K Ganesh Babu**, Former Professor, IIT, Madras

**Prof. D Ramaseshu**, Professor, Dept. of Civil Engineering, National  
Institute of Technology, Warangal

**Dr K Balaji Rao**, Chief Scientist & Advisor (Management), CSIR-SERC,  
Chennai.

**Prof. S T G Raghukanth**, Professor, Structural Engineering Division,  
Dept. of Civil Engineering, IIT, Chennai

**Prof. P N K Rao**, Professor, Dept. of Civil Engineering, Birla Institute  
of Technology & Science, Hyderabad.

**Prof. P Srinivasa Rao**, Professor, Dept. of Civil Engineering, JNTU  
College of Engineering, Hyderabad.

**Dr Pradeepkumar Ramancharla**, Registrar, IIIT, Hyderabad.

**Prof. D S R Murthy**, Professor, Dept. of Civil Engineering & Chairman,  
Board of Studies, AU College of Engineering, Visakhapatnam.

**Dr S Suriya Prakash**, Associate Professor, Structural Engineering  
Division, Dept. of Civil Engineering, Indian Institute of Technology,  
Hyderabad.

**Er P Surya Prakash**, Managing Director, Satyavani Projects and  
Consultants Pvt. Limited, Hyderabad.

**Er P Srinivas Reddy**, Chairman, ICI, Hyderabad Centre

**Shri M Bhasker**, FIE, Associate Professor, Department of Civil  
Engineering, Vasavi College of Engineering, Hyderabad.

**Dr. Md. Subhan**, Prof. & HOD, Dept. of Civil Engineering, A V N  
Institute of Engineering and Technology, Hyderabad.

## REGISTRATION FORM

### All India Seminar on "Recent Developments in Concrete Composites" (RDCC-2018) 24-25 August, 2018

1. Name (Block letters) .....
2. Designation & Organization .....
3. Mailing Address .....
4. Tel (O) ..... (R) .....
5. Fax: ..... email: .....
6. Organization / Company Sponsored Delegates / Member of IEI / Engineering College Students (Strike off not applicable)
7. IEI Membership Grade & Number : .....
8. Registration Fee enclosed Rs. ....  
Total amount enclosed Rs .....
9. Mode of Payment: A/C Payee Cheque / RTGS / NEFT  
BANK ACCOUNT DETAILS:

**VISIT TO KALESHWARAM PROJECT**

The Kaleshwaram Lift Irrigation Project is a multi-purpose irrigation project on the Godavari River in Kaleshwaram, Bhoopalpally, Telangana. Currently the world's largest multi-stage lift irrigation project. The Kaleshwaram Lift Irrigation Project is divided into 7 links and 28 packages spanning a distance of approximately 500 km (310 mi) through 13 districts and utilizing a canal network of more than 1,800 km (1,100 mi). The project aims to produce a total of 240 TMC (195 from Medigadda Barrage, 20 from Sripada Yellampalli project and 25 from groundwater), of which 169 has been allocated for irrigation, 30 for Hyderabad municipal water, 16 for miscellaneous industrial uses and 10 for drinking water in nearby villages, with the remainder being estimated evaporation loss.

We visited 'Kaleshwaram project' of karimnagar on 20-09-2019. II, III, IV year students marked the attendance for the tour. Students witnessed iconic project works like construction of Dam, constructing reservoir and Japanese pumping systems. It was a good practical experience for students.

Hyderabad.

**Subject: Requesting to visit kaleshwaram project , karimnagar dt.**

Respected sir,

We, the department of civil engineering of *Sreyas Institute Of Engineering & Technology* request you to please permit our students (120+ students + 8 assistant professors) to visit "**Kaleshwaram project**", near mahadevpur mandal in bhoopalpally district in the Indian state of Telangana to enhance their knowledge in field of lift irrigation scheme of Telangana is said to be the *world's biggest irrigation project*. Also, provide us the permission on 20-09-2018 to visit the site and the applicable charges which helps us in further proceedings.

Regards,

**Dr. ABDUL KALAM,**

HoD / Professor,

Department of Civil Engineering,

Sreyas Institute of Engineering & Technology,

Hyderabad.

\*\*\*\*\*

I am glad to inform that the Department of Technical Education, vide references cited above, has issued orders implementing six months industrial training industry attachment in the VI semester of final year to all polytechnic student from the academic year 2018-19 as a part of Curriculum. The object of the industrial training industry attachment for six months during the study period is to bridge the gap between the skills required by the industries and skills imparted during the study period of Diploma Course Polytechnic level.

In view of the above, I request you to provide an opportunity of internship to **Diploma in Mechanical Engineering** students in your esteemed organization from **05/11/2018 to 06/05/2019** to enable them get placements right after completion of their course. During the training period our students will abide by the rules and regulations of your organization.

Hoping receipt of internship opportunity to our student from your esteemed organization.

Thanking you sir.

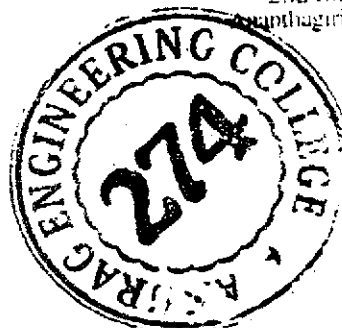

Yours faithfully

Sir,

Sub: Requesting for the permission to organize "First Edition of Igniting Studenpreneurs " at Sreyas on 19/01/2019- Reg.

We, (A.swathi (Asst.Professor, CSE Dept) Coordinator of Clubs, B.Dileep Seshu (II yr ECE ) and Alumni of Sreyas) the team would like to organize the event on entrepreneurship on behalf of Sreyas EDClub on 19<sup>th</sup> of Jan 2019. We request you to allow us to organize the event in the Auditorium for half day (12.00 to 4.00 Pm) on the requested day.

We ensure you that this event is helpful and informative for interested young sreyans , who want to become an entrepreneur.

Thank you,

Yours faithfully,

EDC Team.

Placements.  
Har (Aneesh)

CRT.  
(Sneetcha)

Very good restrict to Entrepreneurs.

ok  
Aneesh

## Speaker profiles:

### **Satish Rao :**

M.Tech in Computer Science  
Over 14+ Years of IT Industry Experience  
Founder of IoT Users Club and WevoLabs  
Started IoT Innovation Lab, which is first of its kind in Hyderabad  
Area of Expertise includes IoT, Application Development, Quality Assurance and Program Management  
Delivered IoT Trainings to 1500+ members

### **Nishan chilkuri:**

Nishan Sampreeth Chilkuri is a 20 year old final year computer science student of Sreyas Institute of Engineering and Technology. He is the founder of IndiaThinks, a platform which has produced documentaries, human-interest stories, socially conscious and political content. IndiaThinks covered the Telangana Elections 2019, and amassed over 1.4 Million channels views with 9000 subscribers within a span of one month. Nishan also founded NSPHyderabad, a photography team, which had shot several weddings and corporate ad films. He holds a certification in photography from Jawaharlal Nehru Architecture and Fine Arts University.

### **Shreyes reddy:**

Founder and CEO of STAGGER and Co-Founder of INFLOOO.  
Stagger awarded as 1st Runner-up at GSEA by EO pune.  
Expertise at public speaking, negotiating skills, public relations and business management.  
He passed through many sleepless nights,  
He overcame oceans of depression,  
He struggled like a man on fire,  
He was hungry like a lion,  
he was focused like a soldier,  
And he never gave up!  
Initially he started off as a zero, he was like a normal boy who had a lot of ideas in my mind and had no clue how to start. When the idea stagger hit his brain he and decided to kick start it at any cost. He didn't have a team, didn't have money, didn't have a helping hand, he didn't have anything.  
Coming from Electronics background with no knowledge of technical knowledge and related things, he learned everything on my own and with the help of his friend  
Life wasn't easy for him, his passion drove him crazy and now he understood what he can do and how he can impact.

His core values:

Commitment, Unexercised, Wanes.  
Love, Unshared, Dissipates.  
Courage, Unused, Diminishes.

### **Aswhitha reddy:**

Founder of LEVEL APP

Worked at mroads, dirt9 group.

Executive board member at VNR VJIET alumni association.

LEVELAPP has been awarded as the best startup.

Expertise at Public speaking, business analysis, product management.

### **Harsha kankanala:**

Harsha Kankanala, a bussiness consultant, a Solution architect and Co-Founder at Edwisely, currently working on application of Artificial intelligence in higher education for improved outcomes.

He has done his Professional Doctorate from TU Delft, Netherlands with specialization towards efficient product/process development. During this period he have worked for various industries, in coming up with an efficient product and process design. Trained in Project management and Design thinking methodologies in Europe, he have deeper insights towards market research and developing an executional plan for a right product fit. Further, he gained expertise in the financial modelling, Risk and Life cycle analysis of the product.

For past two years, he has trained more than 100 entrepreneurs and handled about 27 projects from very initial ideation stage to the complete project proposal. Further, he has been involved in motivational talks, significance on engineering, product developements, Enterprenuership and financial modelling.

Currently at Edwisely with a strong team of industry experts, iam currently focusing on Pedagogy, Global curriculum framework and adaptive methodologies in higher education.

### **Ravi teja Gupta:**

Founder of PREWENTO

Worked at shiksha.com , practo , paytm

Started a preventive health care startup with a vision of making India as Healthy India using technology

PGPM in Brand Management from MICA (Mudra Institute of Communications Ahmadabad)

Google Certified in Digital Marketing by Google Digital Unlocked from ISB HYDERABAD

### **Ys Rao:**

Y S Rao, a Mechanical Engineer and Post Graduate in Management has more than 30 years of experience in both core Industry and IT/ERP consulting.

Started his career in Power Engineering, worked with Nuclear Power Corporation and Roll-Royce Industrial Power, involved in Nuclear Power & Thermal Power project design & construction for over 10 years.

Later moved to IT/ ERP Consulting as a Subject Matter Expert in Power Engineering, Manufacturing and Supply Chain Management domains. Has 20 years of extensive experience in

IT/ ERP consulting including Business strategy/planning, Competency building, Program Management & delivery, Account Management and Client relationship management with companies like Satyam, Oracle, Hexaware Technologies, Apps Associates and Inspirage.

Involved in more than 30 complex, multi-country ERP project implementations in US, UK and EMEA covering diverse Industry domains like Cement, Power, Chemical, Petrochemical, Food Processing, Pharmaceuticals, Construction, Paper and other Engineering industries.

Presently, Executive Director of Dakshah Ebiz Consulting Pvt. Ltd, a niche Advisory & Business consulting company for Small & Medium Enterprises. Also Incubated and invested in two start-up companies. Actively involved in providing mentorship to educate, guide, train employed & un-employed youth as rightly skilled and high-performance Human Resources

### **Dewansh Poddar:**

Student Entrepreneurship Development Group Associate Member  
India Start-up and Alumni Team Imperial Society of Innovative Engineers Regional Ambassador  
India Mechanical Engineering Forum Student  
India Yantrashilpa Team Member  
India Official Society Of Mechanical Engineering Activate Business Development  
India nearbuy (formerly Groupon India) Student Internship  
Indian Institute of Technology Kanpur Campus Ambassador November 2015 - March 2016 (5 months) Noida Mozilla India student brand ambassador

### **Kalyan Anupindi:**

Kalyan Anupindi - Founder & CEO for **Filesie** - An Award Winning Inbound Marketing Agency in Hyderabad, IN

Education: Masters in Business Strategy – University of Portsmouth – United Kingdom

His focus is, and always has been, in the Small and medium-sized B2B Enterprise Business Space and creating results-oriented marketing programs that grow and enhance their reach and presence.

As a marketing consultant for businesses, he advise and educate clients in the use of Digital Marketing for results-oriented experiences, implementing lead generation strategies and communications that drive website traffic that generate sales and increase the bottom line 10X times

**EXPERTISE in**  
Inbound Marketing  
Growth Driven Website Design  
Google Ads  
Facebook Marketing  
Lead Generation

Today, he enjoying working with and for my B2B Enterprise clients helping them create clear, refined and results-oriented marketing programs.

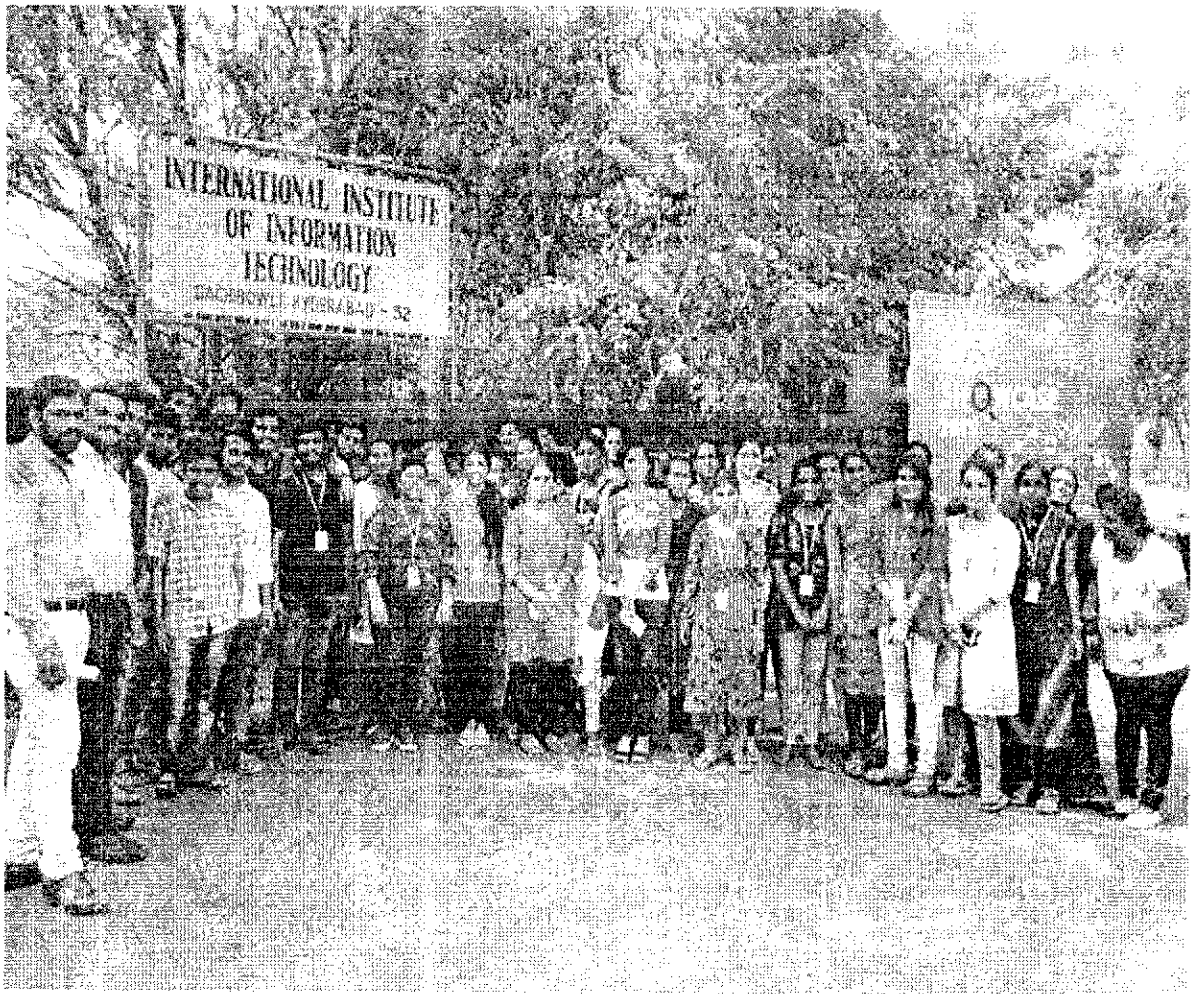

## **Summary of IIIT Hyderabad Campus Visit**

Date: 23<sup>rd</sup> February, 2019.

Place of visit: IIIT Hyderabad Campus

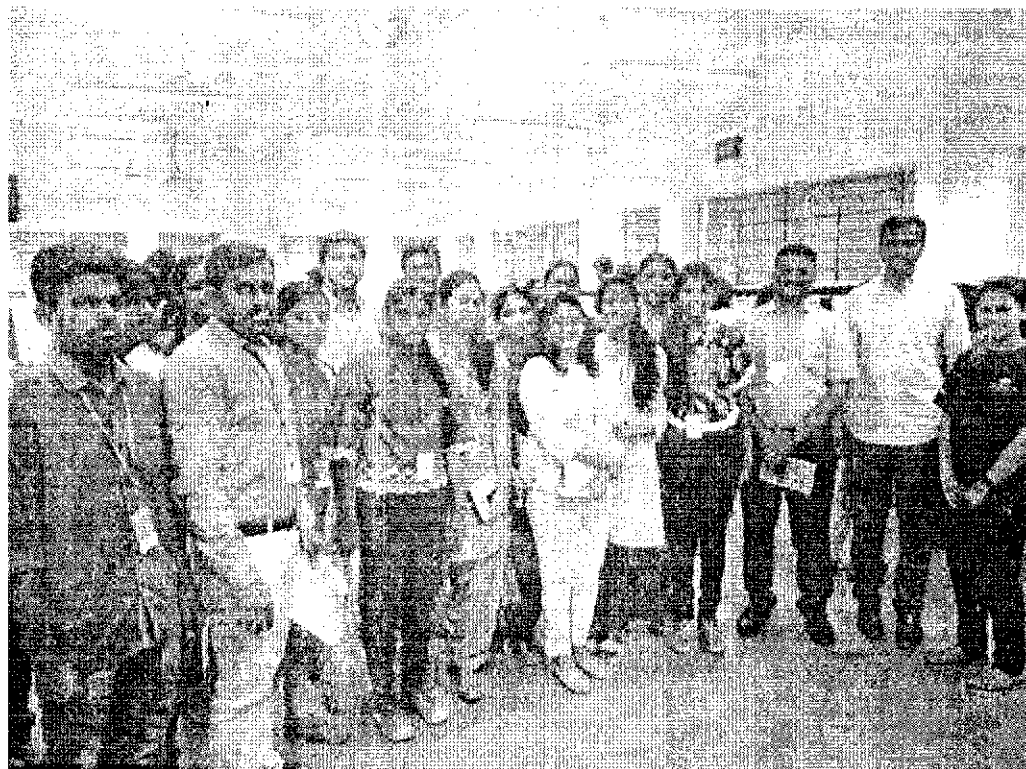

ECE Department was organised an educational visit to participate in R&D Showcase 2019 event, which is hosted by IIIT Hyderabad in their campus premises for the UG(60 Members)& PG(06 Members) students and faculty practitioners(05 Members) on 23<sup>rd</sup> February, 2019. By participating in this event, our students and faculty explored/learned firsthand about IIIT-H's cutting-edge research, innovation, and developments in technology.

Accredited by NAAC

**CONDUCTED GUEST LECTURE ON CHALLENGING CAREER EVALUATION  
AND CURRENT STATUS**

This guest lecture was organized by the civil department on challenging career evaluation and current status on 14-03-2019

Mr. P. Surya Prakash is the Founder Director of SatyaVani Projects and Consultants Private Limited (SVPCPL) who is a Post Graduate in Structural Engineering from IIT Madras. Since 1994, he has consistently grown and evolved into a premier Civil, Structural, Architectural, MEP consultancy & Project Management Consultancy Organization in India, currently employing over 255 Techno Commercial in-house team members. Over these years he developed and ramped up our capabilities to be a reliable partner for his more than 350 clients multi disciplinary projects.

He operates mainly in three segments: Buildings, Infrastructure & Towers.

In Building segment our prestigious clientele in India includes – INCAP, Ministry of Defence, DMICDC, Tech Mahindra, MUSCO, DECATHLON, ISB, Dell, Schneider, BHEL, GVK, Sterlite, BMW, APHB, Kirby, Ashoka, Indus school, AP Panchayat Raj, Saket, Prestige, Aditya, Ocean park, SAP labs, Janapriya to name a few.

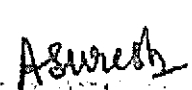

In Tower segment our prestigious clients include Airtel-Bharti Infratel, Vodafone, Tata, Idea, Quippo, Indus, GTL, Reliance Infocom, HFCL, Indus, Kalpa Taru, Megha Engineering, and Aircel to name a few.

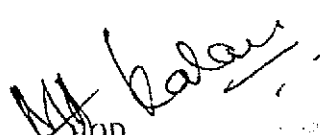

The distinction achieved by offering Engineering Consultancy Services to off shore Clients for projects in USA & Middle East countries is a proof of our commitment and quality. Our foreign clients include – USA – University of Virginia, Citi Bank, West Virginia University, UAE – Garden Factory – Dubai, Water & electricity Dept., Abu Dhabi.

Every new generation brings a new set of challenges and issues for workers and hiring managers to tackle if they want their companies to stick around for years to come.

In 2019, jobs are shifting more towards Artificial Intelligence technology, managers are struggling to oversee multi-locational teams, and both millennial and baby-boomers are stumbling to communicate effectively. Clearly, today's modern workforce is faced with a unique set of hurdles for both employees and employers. And it's up for us to learn how to navigate them if we want to keep moving forward in our careers. So we turned to the experts to lessen our workplace worries.

We asked the top HR leaders and career advisors what they thought were the most common career challenges people are facing today. Read on to discover the biggest career problems they identified and strategies to overcome them.

## Departmental Events

### 1. Workshop on “Training on Basics of Remote Sensing and GIS”

Two day training on “The basics of Remote Sensing and GIS” on 18<sup>th</sup> and 19<sup>th</sup> March 2019. For 3<sup>rd</sup> year students. The training course on basics of remote sensing and GIS is being conducted for the students of Vardhaman college of Engineering, Hyderabad under Bhuvismavasd Programme of GSITI (Geological Survey of India Training Institute). The students will be given information on the basic concepts and utility of remotely sensed data and how to use Image Processing and GIS based software for better visualization and analysis of data pertaining to their domain of Interest.

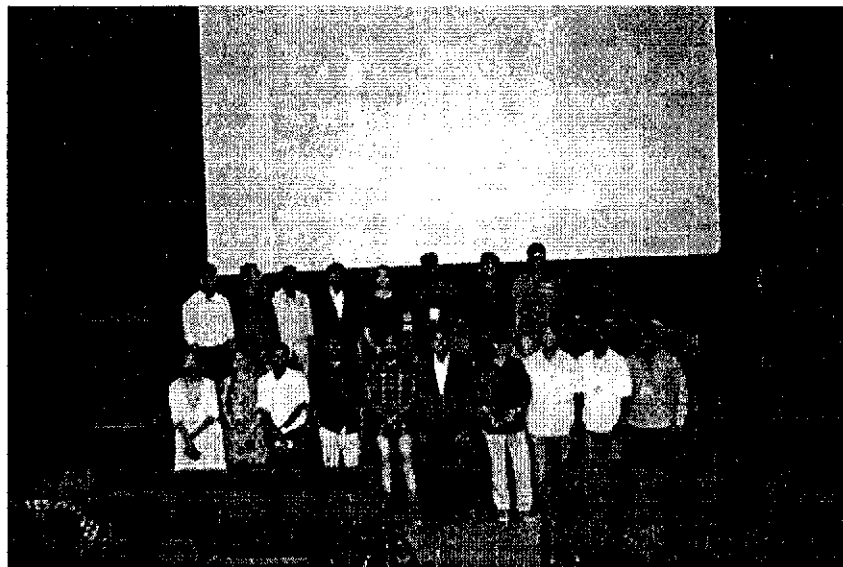

### 2. Guest Lecture on “Challenging career evaluation and current status”

Guest Lecture from Surya Prakash on 14<sup>th</sup> March 2019 on the topic Civil Engineering Profession – A challenging Career. He is the Managing Director of Satyavani projects and consultants Pvt Ltd.

**Summary:** The Startup Experience introduces students to the entrepreneurial mindset and provides hands-on training in high impact entrepreneurship. Participants develop creative capacity, entrepreneurial confidence, and acquire the necessary skills to build scalable startups that solve real problems.

## ORGANIZED WORKSHOP ON ANALYSIS AND DESIGN CONCRETE STRUCTURES USING ETABS

This seminar was organized by the civil department on innovative structural engineering on 25-03-2019 to 29-03-2019. MR.M.A.Azeem Was a resource person/ chief guest.

The innovative and revolutionary new ETABS is the ultimate integrated software package for the structural analysis and design of buildings. Incorporating 40 years of continuous research and development, this latest ETABS offers unmatched 3D object based modeling and visualization tools, blazingly fast linear and nonlinear analytical power, sophisticated and comprehensive design capabilities for a wide-range of materials, and insightful graphic displays, reports, and schematic drawings that allow users to quickly and easily decipher and understand analysis and design results.

From the start of design conception through the production of schematic drawings, ETABS integrates every aspect of the engineering design process. Creation of models has never been easier - intuitive drawing commands allow for the rapid generation of floor and elevation framing. CAD drawings can be converted directly into ETABS models or used as templates onto which ETABS objects may be overlaid. The state-of-the-art SAPFire 64-bit solver allows extremely large and complex models to be rapidly analyzed, and supports nonlinear modeling techniques such as construction sequencing and time effects (e.g., creep and shrinkage)

Bandlaguda, Nagole Hyd 500068.

Sreyas institute of Engineering and Technology, Affiliated to JNTUH and Approved by AICTE, New Delhi. Institute promotes and encourages the students to undergo in internship to expose them to practical application of education system so as to bridge the gap between industry and university curriculum and upgrade their technical skills.

As a part of the curriculum, the students are required to undertake Internship in an industry of repute. In regard to this I would like to recommend Mr G Shesha Sai (17VE1A0315) studying 2<sup>nd</sup> year to do internship in your esteemed organization to have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

I request you to kindly accord the necessary permission for the above internship and arrange for guiding the students.

We assure you that my student will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company.

We shall be grateful for a favorable response.

Thanking You,

Yours faithfully,

HOD-Mech

To,  
Mrs. Sujatha Akella,  
MD Akella Systems Pvt. Ltd.

Dated: 25-10-2018

Sub: Request to Provide Manufacturing facilities for Portable Air conditioners-Reg.

Dear Madam,

We appreciate the Vision of Akella Systems Pvt. Ltd. And our Staff and Students have learnt to develop R&AC products through this technical Interaction of Industry- Institute Partnership.

Further, we are immensely happy that one of the products developed at our Institute is getting into commercial production and we congratulate both your Company and our Mechanical staff & students for the R&D effort.

We are willing to provide our premises as a manufacturing place for the portable air conditioner, which will be reviewed for sustenance from time to time mutually.

Wishing you all success with mutual benefit

Regards

  
Management

## PARTNERSHIP DEED

This deed of Partnership executed at Hyderabad on this day of <sup>29<sup>th</sup></sup> November 2018.

BY AND BETWEEN:

1. Mrs. **AKELLA SUJATHA** W/o Mr. **AKELLA SURESH** aged about **56** Years, Occupation: **Business**, Resident of **2-23-J-100, Jalavayu Vihar, Kukatpally, Hyderabad Telangana 508 284**. (Here in after called the "FIRST PARTNER")
2. Mr. **AKELLA SURESH** S/o Mr. **LATE AKELLA.S R.MURTHY**, aged about **62** Years, Occupation: **Business**, Resident of **2-23-J-100, Jalavayu Vihar, Kukatpally, Hyderabad Telangana 508 284**. (Here in after called the "SECOND PARTNER")

Whereas All the Partners herein above referred to have constituted themselves into a partnership to carry on a business of Manufacturing & Trading of **Climate Equipments, Air Conditioners, Solar Based Bikes, Refrigerators, Solar Thermal Cookers, Mobile PV Systems, Vaccine Storage Refrigerator, Solar Geysers, Alternate Car Radiators, Solar Invertors & Cad & Cam Technologies Relating to Solar Products** and all related business under the name and style of "**M/s AKELLA SYSTEMS**" from <sup>29<sup>th</sup></sup> November, 2018 and reduce the terms and conditions of Partnership in writing.

### NOW THIS DEED OF PARTNERSHIP WITNESSES AS UNDER:

1. The Partners herein to shall become and remain Partners in the Partnership business under the name and style of **M/s AKELLA SYSTEMS** with effect from <sup>29<sup>th</sup></sup> November 2018.
2. The principal place of business shall be at **H No.2-50/5, Sri JyothiPuram, Tattiannaram, Hayathnagar, Rangareddy, Telangana-500 070**. and the Partners are also at liberty to carry on the business at such place or places as may be mutually agreed from time to time.
3. The business of Partnership shall be providing service to carry on the business of Manufacturing & Trading of **Climate Equipments, Air Conditioners, Solar Based Bikes, Refrigerators, Solar Thermal Cookers, Mobile PV Systems, Vaccine Storage Refrigerator, Solar Geysers, Alternate Car Radiators, Solar Invertors & Cad & Cam Technologies Relating to Solar Products** such other business or businesses as the parties hereto may decide from time to time by mutual consent.
4. The Partnership shall be at WILL. The death, insolvency, admission or retirement of any partner shall not IPSOFACTO cause dissolution of the firm. Surviving or the remaining partners may carry on the business either by themselves or with others as partners.

To,

The Management of Sreyas Institute  
Secretary Sir,

Sub: Approval for SHAC ACS for Institute.

Dear Sir,

From Jan - April "Atella Systems" made about 200 ACS and did field trials as demo or sold pieces. Students and staff also used the facilities of the industry to complete Mini, Major UG & PG Projects.

We have also under mechanical department applied for a JNTUA - TEQIP fund to make "ECO FRIENDLY ACS".

This is a request to the institute management to display in ME, Civil, EES, Academic Co-ord and Finance departments

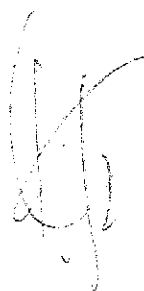

(Five ACS) 5 ACS. The cost would be 16,500/- each a total of 82,500 (Eighty two thousand five hundred only)

This is for displaying and exhibiting "Institute - Industry" R&D, Entrepreneurship, Employability skills development etc.

Regards

Arunesh

Dr. Suresh Atella.

## ACKNOWLEDGEMENT

The successful completion of any task would be incomplete without mention of the people who made it possible through their guidance and encouragement crowns all the efforts with success.

We take this opportunity to acknowledge with thanks and deep sense of gratitude to **Mr. K Sainath (Associate Professor)** for his constant encouragement and valuable guidance during the Project work.

We thank **Mr. Y Krishna ( Head of the Department)** for the support.

We owe very much to the **ISHRAE Deccan Chapter** for sponsoring the project and funding us to complete the project successfully.

Last but not least, my heartiest gratitude to my parents and friends for their continuous encouragement and blessings. Without their support this work would not have been possible.
