OUR PASSION,
YOUR EDUCATION.

Sreyas Institute of Engineering and Technology (SIET),

sponsored by Sreyas Educational Society is established in the year 2011 in the state of Telangana by eminent educationists with a social conscience and commitment. The institution with a vision of serving the society through value-based education has been making a mark in the educational map of this region. Sreyas Institute is located in a sprawling campus of about 10.02 acres, amidst sylvan surroundings with aesthetically built infrastructure.

The institute offers academic programs with innovative curriculum, advanced research in cutting-edge technologies and societal engagement through outreach activities. Within a span of short time the Institute has grown in all the dimensions.

Vision:

To be a centre of excellence in technical education to empower the young talent through quality education and innovative engineering for well being of the society.

Mission:

- Provide quality education with creative methodology and intellectual human capital.
- Provide conducive environment for research and developmental activities.
- Inculcate holistic approach towards nature, society and human ethics with lifelong learning attitude.
