A Report on Guest Lecture

Guest Lecture on Agile Software Process

The Department of Computer Science, Sreyas Institute of Engineering and Technology organized a Guest Lecture on **"Agile Software Process"** on **15th February 2019** at Auditorium.

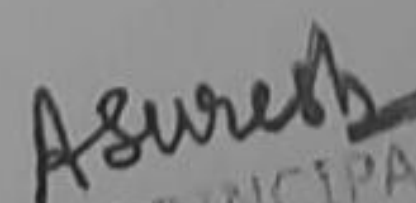

The guest speaker was Prof. Padma Bonde, Shri Shankaracharya Group of Institution, Shri Shankaracharya Technical Campus, Bhilai (CG). Who has 22 years of teaching experience and patent published. She taught software engineering many number of times. She made the session understandable for students and the session was very interactive with her subtle nature.

The session first started with introduction to software engineering, demises of waterfall method and how the agile software process has been evolved. This helped the Students understand why there are pitfalls and what would be the step to go for the advanced technologies.
