A Report on Guest Lecture

Guest Lecture on Machine Learning

In Sreyas institute of Engineering and Technology a Guest Lecture on " Machine Learning", for the budding Computer Science & Engineering students, is conducted. The Legendary Researcher & Engineering Professor Mr.G.Praveen, who is currently Professor at IIIT Hyderabad and earlier, acted as the Chief Guest and Resource Person for this guest lecture.

This seminar will help upcoming engineers to become knowledgeable in the area of Artificial Intelligence & its Applications. The presence of Mr.G.Praveen, the most renowned & global researcher doubled the prestige of SIET and the students felt they are fortunate enough to get lecture by him.

The resource person emphasized that Computer Science Engineers need to demonstrate their vitality to befit the challenging industrial needs for the sophisticated living of people in the society. Prof.Praveen also commended the efforts of SIET for organizing this kind of guest lectures and praised the participants for being active learners.

Head of the computer science Department of SIET, said that Machine Learning is one of the most challenging technologies in Computer Science Engineering & mastering such challenging area is very much needed for every student. Ms.Vijaya Lakshmi believed that this guest lecture gives a way for the students to learn about the basics as well as motivational areas of Machine Learning in a broader perspective while giving the necessary push in the research and development in that area.
