DEPARTMENT OF CIVIL ENGINEERING

24-11-2018

To
The principal,
Sreyas Institute of Engineering and Technology,
Bandlaguda.

Respected Sir,

Sub: Request for permission to conduct Workshop on “Sustainable Development in Civil Engineering” delivered by Dr. Vinod Kumar, in association with Department of Civil engineering on **24-11-2018**.

The students from department of Civil Engineering would like to conduct One Day Workshop on “Sustainable Development in Civil Engineering” for students. In this regard, I request you to give your approval for the same.

Thanking you,

Yours sincerely,

M. Abdul Kalam,
CE, HOD.

RESOURCE PERSON PROFILE

Dr. M. Vinod Kumar did M.E., Ph.D., M.B.A. works as an Associate Professor in School of Mechanical and Construction, Department of Civil Engineering, Vel Tech Rangarajan Dr. Sagun Thala R&D Institute of Science and Technology. He published various papers durability of various concrete, modal analysis, emerging construction materials. He works as an associate professor and has more than 5 years of teaching experience. His Research Interests are Repair and Rehabilitation of Structures, Composite Structures, Lightweight Concrete Structures, Sustainable Construction Materials, Prefabricated Structures, Structural Health Monitoring

PURPOSE OF WORKSHOP

The primary objective of the workshop is to describe the endurance of structures and innovative ideas for the sustainable development of the construction industry to satisfy the needs of today and tomorrow. Dr. Vinod kumar will discuss his ideas about the theme. The workshop will discuss the innovative, economic, environmental and social measures that can be applicable in the construction industry.

Topics covered are mentioned below:

- 1) Structural health monitoring
- 2) Composite structures
- 3) Ground improvement techniques
- 4) Construction management
