Message from Principal

Sreyas Institute of Engineering and Technology is built on providing technical education to empower young talent through quality education and innovative engineering for society's well-being.

SREYAS looks at the current trends of technological advancements in the world and adopts them accordingly. Our mission is to provide quality education with innovative methodology. Our organization creates a platform for the students in research, and practical implementations with a well-developed infrastructure so that young talents meet the demands and challenges universally.

Principal

Dr. S.Sai Satyanarayana Reddy, B.E, M.E., Ph.D

SMIEEE, FIE,FIETE,CE,LMISTE,LMCSI,MASEE,MIAENG, MGEDC

VISION
