The goal of a Hackathon is to bring out creative ideas to develop functioning software or hardware. Hackathons are an obvious career boost. They will make you to get more aware of your own capabilities and thus also bolster your confidence, something that is highly desirable for students who tend to undervalue their own skills or achievements. This hackathon helps you to improve Smart Management and Team Dynamics. We proudly say that Hackathon 2k22 was sponsored by coding Ninjas, Career Bridge IT and Overseas Services, Coign, hit bull eye. It is overwhelming that there are tremendous registrations of students from 1st and also 3rd year from all thebranches.

Hackathon was conducted on March 12th, 2022. There are versatile events apart from coding like idea presentation, coding contest, App development, web development. Students also participated for the events like Technical Quiz, Code debugging, Technical Debate, Robotics Model display also.

The Registration fee for SIET Hackathon 2k22 is Rs.100 for Idea Presentation, coding contest, app development, Web development and

other events are for free. There were good number of registrations and a healthy competition for the students to participate in this event.

The event started with the inauguration at 8.00 am started with the addressing of respected principal sir, Dean corporate Anish Srivatsava. Students dispersed to their respective rooms after the inauguration.

All events took place simultaneously and started with a great encouragement. The event ended at 8 pm.
