## **Introduction:**

Sreyas Institute of Engineering and Technology, established in the year of 2011 located in the heart of the city, is the result of deliberation & planning of every aspect to create a world class technical education institution. The first impression as you enter the sprawling green and verdant campus of Sreyas leaves a lasting impression of innate calm and energizing growth. The campus is scientifically planned and artistically designed. The students have access to the latest software & computing facilities for learning & research to groom them into future citizens.

Our student-centric approach will ensure that Sreyans gain not just depth & breadth in their chosen area of specialization, but a holistic set of skills that will equip them to face the real world. At every stage, there will be opportunities to expand their boundaries, with multiple platforms for collaboration & learning. The infrastructure is absolutely world-class with opportunities to build practical skills in state-of-the-art laboratories & workshops. The thriving, vibrant campus with its multitude of activities will help them develop a well-rounded and grounded personality that evolves naturally.

Top class Infrastructure, Wi-Fi enabled campus with world class Auditorium facility, Voluminous Library, Digital Classrooms, Center of Excellence and Vast playgrounds are located within the city, 5Kms away from Nagole; the most happening area in the city of Hyderabad. The Campus is a stone's throw away from reputed media houses, service & IT Industry hubs. This proximity helps us in fascinating the beacons of industry to our Campus for regular interactions with our students. The Campus is also the hub for many academic & professional activities making it pulsate with positive energy.

## **Our Vision:**

To be a centre of excellence in technical education to empower the young talent through quality education and innovative engineering for well being of the society.

## **Our Mission:**

1. Provide quality education with innovative methodology and intellectual human capital.
2. Provide conducive environment for research and developmental activities
3. Inculcate holistic approach towards nature, society and human ethics with lifelong learning attitude.

## Our Pioneers

### Sri Anantula Vinay Kumar Reddy – Chairman

A stoic, compassionate, multi-faceted visionary with a Post-Graduate Diploma in Marketing Management. He had served in frontline organizations in senior positions. Prior to the establishment of Sreyas, he visited several universities abroad and learnt their modus operandi and distinctive features. He has great ideas and is fully hands-on with the functioning of the institution.

## Message from Chairman

Sreyas Institute of Engineering and Technology is a product of a dream and vision to excel and be a premier institution in the field of engineering. The college has the most modern and best infra structure. It provides a wide arena for the staff and students to showcase their academic and extracurricular activities. Our endeavor is to provide the students an exhilarating experience. The college is within the city limits yet in the midst of eco-friendly green surroundings. You will find nature and technology blending in our campus.

Sreyas will provide you with all the opportunity and liberty to discover yourself. The institution aims at encouraging the students to develop, master and gain the knowledge to the latest technology and global development. I believe that these will be the best years of your lives. The years you spend in our institution will shape your future and make you an excellent engineer and a wonderful human being.

On behalf of every member of this institution, I welcome you to our college. We will be here to guide and assist you all the way to achieve your goal and excel in all that you do while you are with us.

### **Sri Chintala Ravindranath Yadav, Secretary**

A perceptive academician, with an M.B.A from Hyderabad, he pursued higher studies in U.S., and did his Post-Masters in Business Administration from University of California, U.S.A. He worked in leading edge organizations for several years in U.S. In India, he had the chance to work on many critical State Government Projects. His yeoman Service to Sreyas is indispensable.

### **Secretary Message**

We, at Sreyas Institute of Engineering and Technology are committed to build a congenial atmosphere for the next generation of engineers to excel professionally. Our endeavor is to meticulously sculpture our students of both B.Tech and M.Tech in being the best in their chosen fields. The main emphasis and mandate is excellence, perfection and all round development. We believe and understand that as educators have a special responsibility to nurture co-operation, tolerance and mutual respect in our diverse society.

We, expect the students of Sreyas to broaden their horizon both academically and culturally. The emphasis will be to make the college a place to promote freedom of thought, creativity and innovation which are essential to academic excellence. Sreyas guarantees its students better access to corporate world through summer internships. This in turn will lead them to good placements at the end of their course.

**Come, join us and enjoy the best years of your life with us at Sreyas.**

## **Sri Nirvetla Sharath Reddy, CEO / Treasurer**

A highly successful entrepreneur, with a Post-Graduation in Hospitality Management from Nicosia, Greece. He owns three Software companies in India and abroad. His foreign exposure leads Sreyans to compete in the Global market.

### **CEO & Treasurer Message**

You'll find that everything at SREYAS is single-mindedly focused on addressing students' needs. We are clear that it is our responsibility to help our students to realize their goals in an increasingly competitive world.

At SREYAS, be prepared to be constantly challenged, whether it is in classroom or outside. You can look forward to being trained by excellent and committed faculty, get hands-on experience in the state-of-the-art technology in world class MNCs and building enduring bonds with your peers.

The infrastructure at SREYAS is absolutely world class and you will build practical skills at laboratories and workshops. You will also enjoy a vibrant campus life with its diverse and enthusiastic student community.

Finally, SREYAS is about always trying to push the bar a little more, constantly innovating and never standing still. If these are values you believe in too, you will do well at SREYAS. If you have the drive and determination, come to SREYAS and we will help you realize your dreams.

## **Sri Anantula Hriday Reddy – Vice Chairman**

### **Vice Chairman Message**

The global economic order, the rapid rate of technological advancement, the information revolution, all have opened new series of challenges as well as opportunities. The ability to innovate and the capacity to adapt to latest technologies are going to be the forte in the new century. India's cherished vision to become super power can only be attained by its large high quality human power.

The educational institutions especially those imparting technical education have to take the responsibility of developing and nurturing the world class engineers, technologists and managers. A no-compromise approach has shaped SREYAS into a finest center of study for the students. Spacious class rooms that are embedded with audio- video facilities, round the clock high speed internet connectivity, well stocked library with national and international journals, state-of-the-art laboratories, vast sports out-field make SREYAS a force to reckon with.

Sreyas Institute of Engineering and Technology is poised to take up this responsibility of providing the student community with world-class technical education in a perfect academic ambience. At SREYAS, we provide a holistic education that helps shape not just an individual but also a society.

## **Dr .S. Sai Satyanarayana Reddy, Principal**

- PhD in Computer science & Engineering, B.U.,2009
- M.E in Systems Information from BITS, Pilani,1992
- B.E in Civil from RIT, Shivaji University, 1990
- Experience: 27 Years

## **Message from Principal**

Sreyas Institute of Engineering & Technology built on providing technical education to empower young talent through quality education and innovative engineering for society's well being.

SREYAS looks at the current trends of technological advancements in the world and adopts accordingly. Our mission is to provide quality education with innovative methodology. Our organization creates a platform for the students in research, practical implementations with a well-developed infrastructure so that young talents meet the demands and challenges universally.

Our motto is to teach the holistic development of students with value-based education through human ethics. On behalf of our Management, faculty, I assure you that we will strive hard to get the best out of every student.

I wish the best of fortune, peace, and prosperity to all those who contribute to the noble task of spreading education and its manifest qualities, aims, and objectives.
