

REPORT ON TECHNICAL QUIZ

Title of the event: TECHNICAL QUIZ

Date: 27/03/2024

Venue: Sreyas Institute of Engineering and Technology, Hyderabad.

Number of participants: 56 students from all the branches.

About the event:

The Technical Quiz Event at Sreyas Institute of Engineering and Technology conducted by the Department of Electronics and Communication Engineering aimed to test and enhance students' knowledge in various technical fields. It provided a platform for participants to engage with peers, showcase their expertise, and learn more about current trends and technologies. The event was divided into multiple rounds. Firstly, a written test consisting of multiple-choice questions covering diverse topics such as computer science, electronics, mechanical engineering, and general engineering principles. This round helped identify the top teams for the final competition. The top teams participated in a live quiz format, answering questions in rapid succession. This round featured different categories. The final round concluded with a rapid-fire segment where teams answered as many questions as possible within a set timeframe. The top three participants are awarded.

Conclusion:

The Technical Quiz Event at Sreyas Institute of Engineering and Technology was a successful initiative, promoting technical knowledge and engagement among students. The organizers received encouraging feedback and are looking to host similar events in the future, aiming for an even broader participation and a more extensive range of topics.
