

Voyager Project EXPO 2025

Date of the Event: 15th February, 2025

The Project EXPO 2025, conducted by Project Expo, was organized to provide a dynamic platform for students to showcase their technical skills, creativity, and innovative thinking. The event focused on encouraging young developers and aspiring engineers to present their prototypes, allowing them to gain exposure, feedback, and confidence in presenting their ideas.

This initiative was designed to promote hands-on learning and highlight the importance of project-based education in developing problem-solving and engineering capabilities.

Highlights of the Event

- **Event Name:** Project EXPO 2025
- **Organizer:** Project Expo Team / Club / Department
- **Date:** 15th Feb 2025
- **Venue:** Placement Cell
- **Participants:** 20+ students across various disciplines
- **Categories:** IoT, AI/ML, Automation, Web Development, Environment & Sustainability
- **Special Guests:** Faculty, and Alumni as Judges
- **Awards:** Best Project, Best Presentation

Event Overview

The event began with an inaugural ceremony featuring a welcome address by the organizing committee, followed by motivational words from the Head of Department / Chief Guest. Students then set up their project for demonstration.

Judges visited each project team, assessed their work based on innovation, technical feasibility, problem-solving relevance, and presentation skills. Students explained their project concepts, real-life applications, development process, and future enhancements.

Some standout projects included:

- **Stock Price Predictor web App**
- **AI-Virtual Voice Assistant**
- **AI Coding Agent**

Judging Criteria

- Innovation and originality
- Technical execution and functionality
- Relevance to current issues or industry needs
- Presentation clarity and confidence

- Scope for further development

Award-Winning Projects:

- **Best Project:** *Caffine Coder* – “Stock Price Predictor Web App”
- **Runner up:** *CodeEvolve* – “AI Coding Agent”
- **Appreciation Project:** *Leaf Coder* – “AI- Virtual Voice Assistant”

Appreciation certificates were given to winners and runners.
