

Ms. Ramya Madhavaram

-CEO, Rwork

Ms. Ramya Madhavaram is the Founder & CEO of R Works, a branding and digital marketing company. She is passionate about fostering growth for individuals and organizations. At WE Hub, India's first incubator for women entrepreneurs, she designed impactful STEM and entrepreneurship programs. She also worked with Swissnex India, connecting Switzerland's education, research, and innovation sectors with Telangana. Ramya has contributed to AI and Machine Learning research at George Mason University. She holds a bachelor's degree in pharmacy, a master's in health informatics, and an Executive Degree from IIM Bangalore.

Her extensive experience in childcare, healthcare, and health tech positions her as a leader in leveraging tech for growth. Ramya's work has significantly impacted AI and blockchain advancements. Known for driving meaningful change, her leadership at R Works helps businesses excel in the digital world.

Mr. Ganesh Iyer

Deputy Manager Training at Centrum Learning (upGrad) & Co-Founder of Entrepshere.

Mr. Ganesh Iyer, who brings over 20 years of experience in training, learning and development, and entrepreneurship. Ganesh is the Deputy Manager of Training at Centrum Learning Limited, part of upGrad, and the Co-Founder of Entrepshere.

As a seasoned trainer and startup mentor, Ganesh has worked with numerous early-stage startups, helping them with idea validation, business modeling, and scaling. His extensive experience has made him a trusted consultant, specializing in creating tailored solutions to drive growth and performance.

Ganesh's commitment to continuous learning and innovation has earned him several accolades, including the Service Ambassador Award and the Valuable Mentor Award. He's also a thought leader, with published articles on social media and economic issues, and contributions to government initiatives like natural farming in Andhra Pradesh.
