## BRANCH OPERATIONS AND FUNDING

**Branch Operations and Funding Information**

With 128 members, our student organization is eager and ready to take advantage of any favorable chances that may emerge. There are five professionals Societies, one affinity group and a council enrolled. We have societies like the IEEE Computer Society, IEEE Signal Processing Society, IEEE Robotics and Automation Society, IEEE Education Society, IEEE Communication Society, IEEE Women in Engineering Affinity Group, and most recently, in October 2022, we launched the IEEE Sensors Council, new student branch council. We together organized 28 events under our student branch, of which 3 were sponsored by the IEEE Sensors Council. With 150 participants, we held a two- day course on Cisco packet tracer. The lecturers were Jayaprakashan sir (IEEE HYD SEC TRESURER) and Dr. P. Lavanya mam (PROF, SNIST) and also held a Seminar on Women Nutrition in Digital World by Dr. J. Vahini and we had organized a series of 3 events consisting of 7 events each namely "IEEE CAMP", "IEEE DAY EVENTS", "ENGINEERS DAY", and also we had webinars on Mobile Ad-hoc networks, Web Development, Matlab.

In the textbox above, describe your branch operations and how you obtain funding for activities. Include information such as total funds on hand at the beginning of the year, total income received during the year, links to fundraising activities, if applicable.

## ACTIVITIES

In the table below, indicate if your Student Branch sponsored the following activities. Activities might include technical meetings, special tours, panel discussions or speakers, professional activities, or even social meetings and fund-raising events. The information you provide will enable both Headquarters and the Regional Student Activities Committee Chair to gain valuable insight into your Student Branch and its progress. This record of your activities will also be of use to succeeding officers in organizing their programs. Please provide total number of meetings in each category in the space provided below.
