Vision and Mission

Vision

- To strive to provide high- quality technical education and foster groundbreaking research that empowers the graduates to address real – world challenges and contribute to the advancement of society.

Mission

- To equip faculty with state-of-the-art facilities and resources for continuous professional development and research, focusing both on fundamental principles and emerging trends in computing.
- To impart skills to the students to develop innovative technical solutions that address societal needs, while fostering entrepreneurial talent and mindset.
- To facilitate collaboration between academia, industry, and the community to establish high standards of academic excellence and effectively address societal responsibilities.

ICT ACADEMY AWARD

Education Change Maker Award 2024 (ICT ACADEMY) - Sri Anantula Hriday Reddy.

***ICT ACADEMY- INSTITUTE OF EXCELLENCE IN
TELANGANA 2024***

ICT Academy Confers "Education Change Maker" Award to Mr. A Hriday Reddy, Vice Chairman, Sreyas Institute of Engineering and Technology in a momentous recognition of his visionary leadership and dedication to educational excellence. Mr A Hriday Reddy, Vice Chairman of Sreyas Institute of Engineering and Technology, has been honoured with the prestigious "Education Change Maker" award by the ICT Academy on 14th November 2024. This accolade celebrates his exemplary contributions to the transformation of engineering education and his relentless pursuit of academic and infrastructural innovations.

ICT Academy, a premier institution dedicated to empowering educators and fostering technological advancement in education, confers the "Education Change Maker" award to individuals who demonstrate outstanding contributions to transforming the education landscape. Mr. Hriday Reddy's achievements exemplify the spirit of this award, as he continues to lead with a vision of creating an inclusive and innovative educational ecosystem. Looking Ahead Receiving the "Education Change Maker" award marks yet another milestone in Mr. Hriday Reddy's illustrious journey as a leader in engineering education.

ICT ACADEMY

Prof. SriHarsha of SIET receiving ICT ACADEMY- Finishing School of Employability Certificate of Membership

Sreyas Institute of Engineering and Technology Receives Finishing School for Employability Certificate of Membership.

In a significant achievement, Sreyas Institute of Engineering and Technology has been awarded the prestigious Finishing School for Employability Certificate of Membership by the Infosys Foundation, in collaboration with ICT Academy. This recognition underscores the institute's unwavering commitment to enhancing the employability of its students by bridging the gap between academic learning and industry requirements. The Finishing School initiative aims to empower students with industry-relevant skills, ensuring they are well-prepared for the dynamic job market. Through this membership, Sreyas Institute will gain access to specialized training programs, resources, and mentorship designed to enhance technical skills, soft skills, and workplace readiness. This collaboration highlights Sreyas Institute's dedication to fostering strong industry-academia partnerships and equipping its graduates with the competencies needed to excel in their careers.

STUDENT CERTIFICATIONS

Students of Computer Science and Engineering Participated in competitions Organised by various reputed companies.

STUDENT CERTIFICATIONS

B.Jayanth of CSE(IIIYEAR-I SEM) has won Gold medal in 23rd State level Martial arts championship.

 TG PGCET-2024 Telangana Post Graduate Engineering Common Entrance Test Conducted by JNTU Hyderabad on behalf of TGCHS			
Test Paper Code and Name		GG-GEO ENGINEERING & GEO INFORMATICS	
Hall Ticket No.	: 9301120011	 	
Candidate's Name	: MOHAMMED ZUBAIR AHMED		
Father's Name	: MOHAMMED ZAHEER AHMED		
Community	: BC_E		
Date of Birth	: 01/10/2002		
Marks Obtained	40	Percentile	71.1538
Result	QUALIFIED

STUDENT ACHIEVEMENTS

Md.Sufiyan Ali of Computer Science and Engineering department has achieved first and Second place in the Technical fest events Reverse Coding and One-Minute coding Organized by Department of CSE(Data Science) at TKR college of Engineering & Technology on 30th and 31st August 2024.

INTER COLLEGE EVENTS

FACULTY CERTIFICATIONS

Mrs M.Mounika, faculty in department of Computer Science and Engineering and Mr.M.V.Nagesh faculty in department of Computer Science and Engineering, has been awarded as Wipro Certified Faculty for successfully completing the TalentNext certification assessment and is recognized as a mentor for project-based learning (PBL) in Java Full Stack.

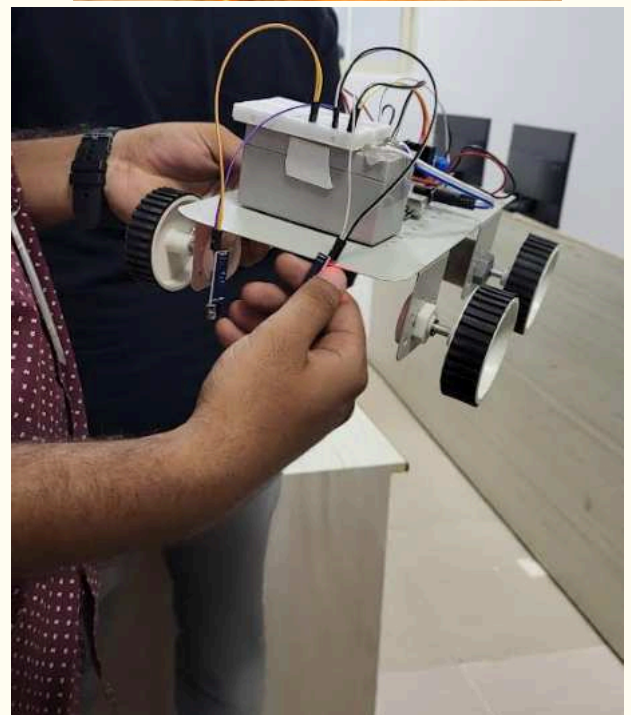

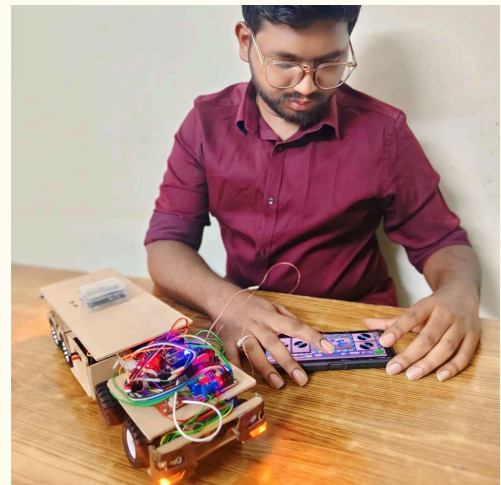

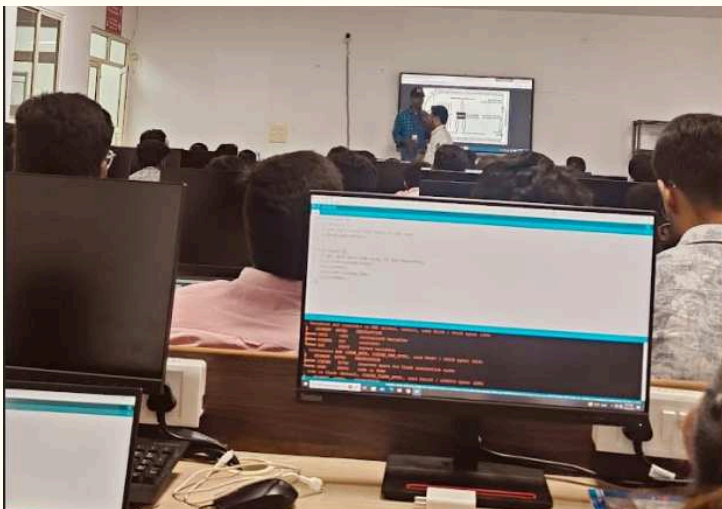

FACULTY CERTIFICATIONS

ROBOTICS WORKSHOP

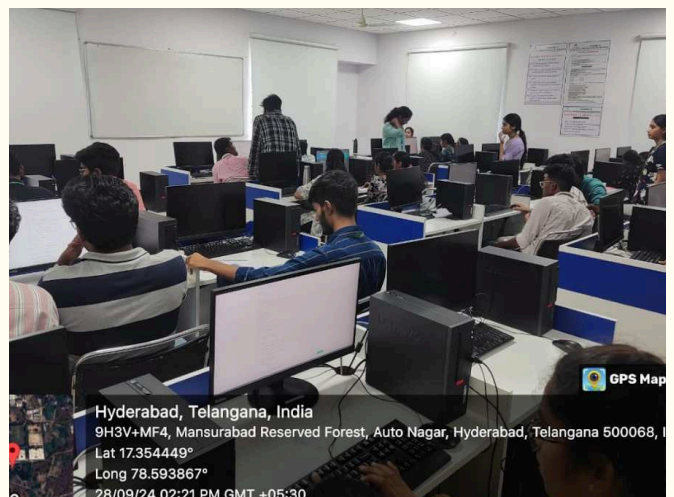

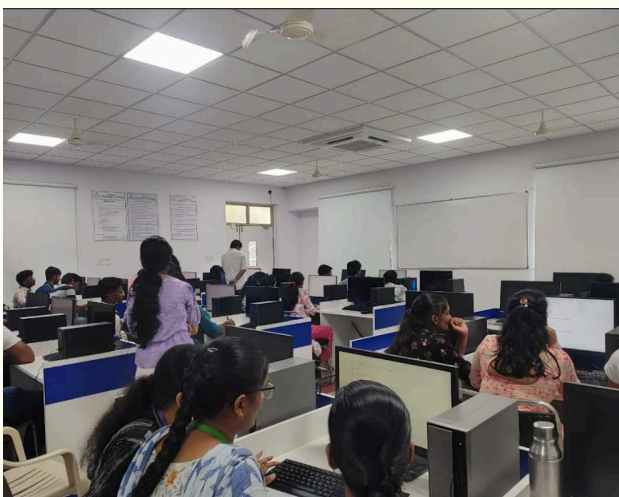

Robotics Workshop organized by Founders Lab is an engaging hands-on event designed to introduce participants to the world of robotics. It provided an insight into the fundamentals of robotics, including mechanics, electronics, and programming. Participants learned to design, build, and program robots to perform specific tasks. The workshop typically included practical sessions where attendees worked with sensors, actuators, and microcontrollers. It fostered creativity, problem-solving, and teamwork as participants tackle real-world challenges. The event was suitable for beginners and enthusiasts alike, with guidance from experienced mentors.

CODE-A-THON

CODE-A-THON event conducted on 28-09-2024, aimed to enhance the participants problem-solving skills and introduce them to a competitive environment. The event took place on the Hacker-Rank platform and a custom contest was created to replicate a real time scenario.

Coding club team of the student council organized the event. The event was conducted where student can showcase their programming skills, teamwork and creativity. This event gave an opportunity to work on real-world problems, develop solutions and present their projects to a panel of judges.

Students Participating in code-a-thon event

CULTURAL CLUB

The Talent Tapestry event was organized by the Cultural Club of the Student Council at the SIET auditorium. This vibrant celebration highlighted the exceptional talents of students across various art forms.

The afternoon was filled with mesmerizing musical performances that left the audience spellbound. Energetic dance routines brought life to the stage, showcasing creativity and teamwork. The audience was thrilled by the sheer variety and quality of performances.

The event successfully provided a platform for budding talents to shine.

Talent Tapestry was truly a celebration of artistic expression and student spirit.

GRADUATION DAY

GRADUATION DAY

SREYAS

INSTITUTE OF ENGINEERING & TECHNOLOGY

Sreyas Institute of Engineering and Technology (SIET) organized its 10th Graduation day ceremony on 14-09-2024. Graduates who passed out during the academic year 2023-24 batch (2020-24) received their graduation certificates from the chief guest, Shri. Prasad Kandimalla, Co-founder and CEO of Lazuline Biotech Ltd.

The chief guest Mr. Prasad Kandimalla, chairman Ananthula Vinay Kumar Reddy, Vice Chairman Ananthula Hriday Reddy, Principal Dr. Sagar, and all HOD's of CSE, ECE, CIVIL, MECHANICAL, H&S, DS, AI&ML Departments were present on the occasion.

A welcome speech was given by the Principal, Dr. K. Sagar. He welcomed everyone and gave a bird's eye view of the achievements of the students and the laurels that they had brought to the Institution. He made a point on past achievements of the institution, Swayam, FDPs for teaching, Non-teaching staff, and placements of students in many reputed companies.

DIGNITARIES

Vice Chairman Sri Ananthula Hriday Reddy encouraged students to focus on developing applications that benefit society. He congratulated them for their efforts and emphasized the importance of graduating with a clear goal and purpose. He said it's a day of celebration, reflection, and looking forward to the future.

The chief guest commended the students for securing placements in various organizations with commendable CGPAs. He also praised SIET for its outstanding infrastructure, innovative teaching methodologies, and the successful organization of the event. Additionally, he advised the students to set clear targets and work diligently to achieve them.

ORIENTATION PROGRAMME

Sreyas Institute of Engineering and Technology conducted its 14th Orientation Day on 22, August 2024, welcoming the third autonomous batch with gusto and elation. The spectacular morning began with the lightening of lamp and an invocation of a prayer. It was followed by inviting the dignitaries on to the dais.

Sri Srikanth Sarampudi, Regional Head, HR of TCS was the Chief Guest of the programme. Among other dignitaries present were Secretary Chintala Ravindranath Yadav, Vice-Chairman, Sri Anantula Hriday Reddy, Principal, Dr.K Sagar, Mr.Md.Naseeruddin, HOD-H&S, Deans, HODs of CSE, CSE-AIML, CSE-DS, ECE, CIVIL and Mechanical departments.

Mr.Md.Naseeruddin, HOD of Humanities and Sciences department addressed the audience with his welcome speech. He highlighted the mile stones achieved by the department since inception. The Vice- chairman, Sri Anantula Hriday Reddy in his address focused on the achievements of faculty members and students in academics, co-curricular and extracurricular activities. Honorable Secretary, Sri Chintala Ravindranath Yadav emphasized on moral education, responsibility of students towards their parents and the Nation.

The chief guest, Mr.Srikanth Sarampudi in his message encouraged all the students to upskill themselves to grab the opportunities in this fast paced world. He also appreciated the Management, Principal, faculty members and all the students for their scholastic achievements. He also ignited and suggested the freshmen to work with interest and lead a successful life.

B.Tech I Yr. Academic Year: 2024-25

Orientation Day on 22-08-2024

Schedule

- 1) 10:00 -10:15 AM - Welcome Address.
- 2) 10:15 -10:40 AM - Inviting the dignitaries on to the dais (Principal and Management members & Chief Guest).
- 3) 10:40 -10:50 AM - Lighting the lamp and prayer song.
- 4) 10:50 -11:10 AM - Opening speech by the Principal
- 5) 11:10 -12:00 PM - Speeches by the Management Members.
- 6) 12:00 - 12:20 PM - Speech by the Chief Guest.
- 7) 12:20 - 12:30 PM - Felicitation of the chief guest.
- 8) 12:30 - 12:50 PM - Deans and HoDs introduction.
- 9) 12:50 - 01:00 PM - Vote of thanks by HoD H&S.
- 10) 01:00 - 01:15 PM - National anthem.
- 11) 01:30 PM onwards: Lunch Break.

Principal

INDUCTION PROGRAMME

The freshmen attended Induction programme that included placement talks and workshops by eminent speakers was conducted for a week.

- On 27, August 2024, Dr.Lakshmi Mantha, a Certified Coach and Trainer from Osmania University with more than 2 decades of varied experience conducted a work shop to all branches on "Get Set Go". Dr.Mantha explained the prominence of giving up toxic habits, people and thoughts to go up in life. The most important take away of this session was to reach heights in life with self - focus.
- On 28th August, 2024, Dr.B.Suresh Babu, Professor of Mathematics and CoE, gave presentation on "R-22 Regulation and Examination System". He explained the students Academic Requirements, Subject Course Classification, Promotion Rules, Evaluation, Distribution and Weightage of marks. He covered all the rules and regulation including college policies against malpractice during examinations.

INDUCTION PROGRAMME

- On 29, August 2024, in the morning session, a Talk on "Vision To Victory: Unleash you Dreams and Make them Real" by Mrs. Jessy Matthew, Assistant Professor of English from SNIST was delivered. The students were enthralled with the wonderful talk of Mrs. Jessy with various fun learning activities who states that there are no short cuts in life and possible to achieve heights only through discipline. During the session, there were activities on life skills and discipline. All the students actively participated and took note of all key points mentioned in the session by Mrs. Jessy Matthew.

- On 29, August 2024, in the afternoon session, a Talk on "Personal Excellence for an Unlimited You! By Mr. Thoodi Hanumanth Reddy, Rtd. Regional Inspection Officer, RR District, T.S BIE was delivered. The session focused on the importance of developing a mindset geared toward continuous improvement and excellence in both academic and personal pursuits. Mr. Reddy shared valuable insights into setting realistic goals, fostering discipline, and building resilience to overcome challenges. He emphasized the significance of soft skills, time management, and a positive attitude in shaping a successful and fulfilling career.

INDUCTION PROGRAMME

- On 30, August 2024, Prof. GVK Reddy, Civil Department, VCE gave a talk on "Essentials of Career Building." In his talk, Prof. Reddy explained the important characteristics of professional ethics such as Formal code, Focus, Precedence, Restriction and Role morality.

- Prof. GVK Reddy elaborated by stating that Engineering Ethics helps an Engineer to discover moral principles like obligation, rights and ideals in this field. He outlined the fundamental principles of career planning and growth, emphasizing the importance of self-awareness, skill enhancement, and adaptability in an ever-evolving professional landscape. He highlighted the value of consistent learning, effective communication, and networking as key drivers for career success.

- The college induction program is an initiative aimed at helping new students adapt to college life. It introduces them to the institution's culture, academic structure, and available resources. Workshops on essential skills, exposure to clubs and societies, and awareness about support services like counseling are also part of the program. Through cultural events and icebreaking activities, students are encouraged to build connections. This program helps students gain confidence, feel welcomed, and prepare for their academic and personal journey in college.

- On 31 August, 2024, to further enrich the students' experience and foster an all-rounded development, the event also included **cultural and literary programs** aimed at imparting extracurricular spirit. These activities provided students with a platform to showcase their talents, express creativity, and collaborate with peers, enhancing their interpersonal and organizational skills. All the students actively participated and the whole induction programme gave them a strong boost up to move towards their academics planned from the following week.

CULTURAL EVENTS

Students Participating in various Cultural events held at Sreyas Institute of Engineering and Technology.

T-WORKS INDUSTRIAL EXPOSURE VISIT

On 8th November 2024, Sreyas Innovation and Entrepreneurship Center (SIEC) organized an Industrial Exposure Visit to T Works, a leading prototyping and innovation hub in Hyderabad, for its 54 incubated students and 3 faculty coordinators.

The purpose of this visit was to provide students with a firsthand experience of an advanced industrial setup focused on prototyping, design, and manufacturing, with an emphasis on how such spaces foster innovation and entrepreneurial activities.

The visit was coordinated by Mr. Sai Teja Irugula, who served as the Point of Contact (POC) at T Works and guided the group throughout the day.

T Works, situated in Rai Durg, Hyderabad, is India's largest prototyping facility and is designed to support entrepreneurs, startups, and innovators with resources such as advanced machinery, 3D printing, CNC machines, and a variety of other prototyping tools. The industrial exposure visit to T Works was an enriching experience for all the students and faculty involved. It provided a unique opportunity to witness cutting-edge prototyping and manufacturing technologies in action and learn about the practical aspects of product development.

This visit reinforced the importance of hands-on exposure in shaping the entrepreneurial journeys of students and provided them with valuable insights into the world of industrial innovation.

ART EXPO

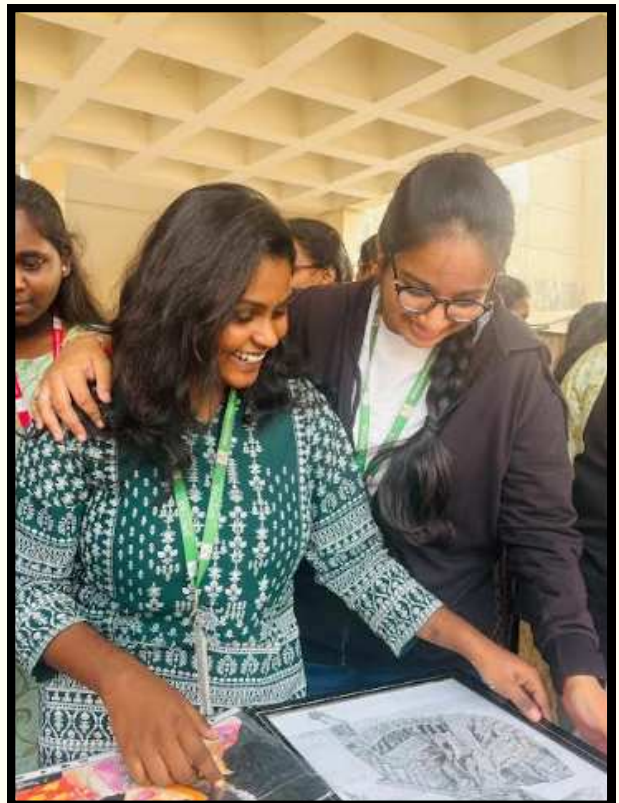

ART EXPO event was organized by the Art Club on 23-11-2024.

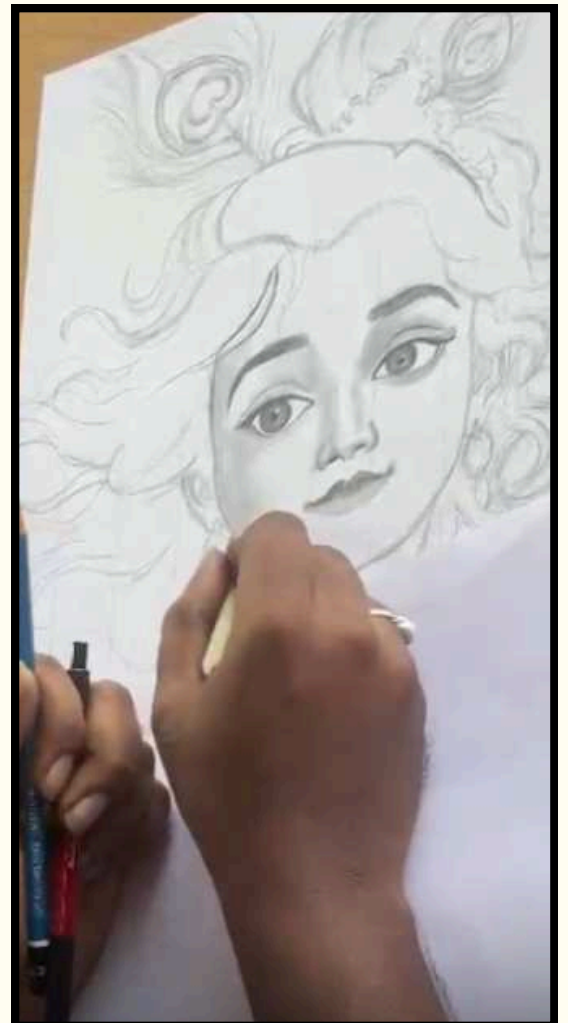

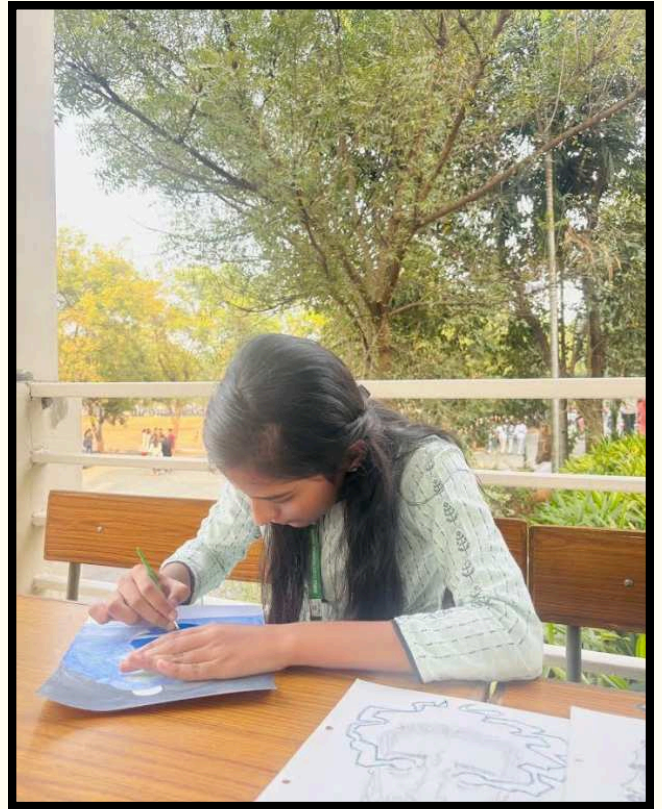

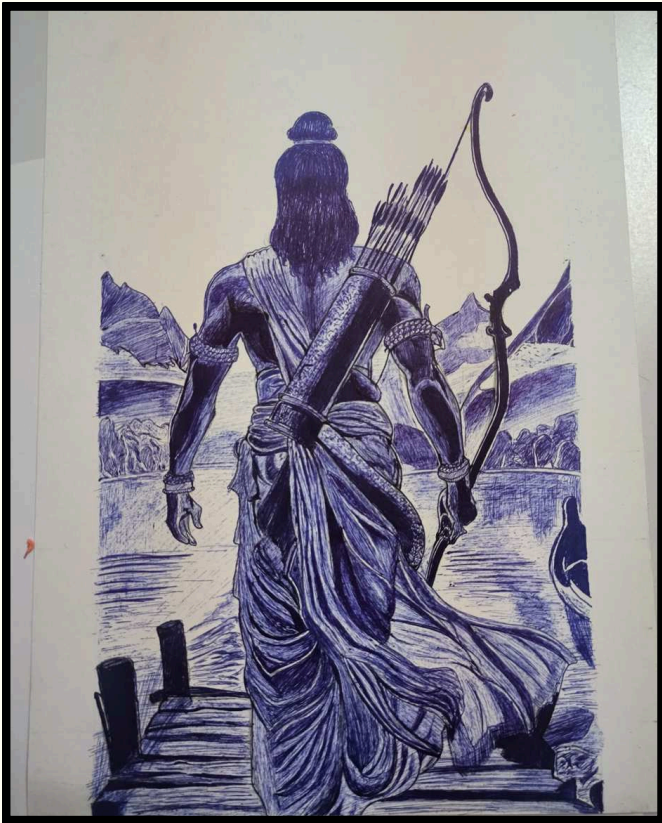

This vibrant event celebrated creativity and artistic expression. Participants showcased their skills in a Logo Designing Competition, crafted intricate designs in the Mandala Art Activity, and displayed their creations at the Art Expo.

Attendees also marveled at the Live Art, witnessing stunning artworks come to life in real time. This event provided a platform for students to express their imagination, explore new art forms, and connect with fellow art enthusiasts.

SEMINAR ON
JAVA PROGRAMMING

Mr. Archit Srivastava, Software Professional, TCS

 **16-03-2024**
09.00AM

The poster has a light blue and white background with a subtle grid pattern. It includes the Sreyas Institute logo and accreditation details at the top. The seminar title and speaker information are prominently displayed in the center, with the date and time in a circular callout on the right. The Java logo is featured at the bottom right.

FRESHER'S DAY

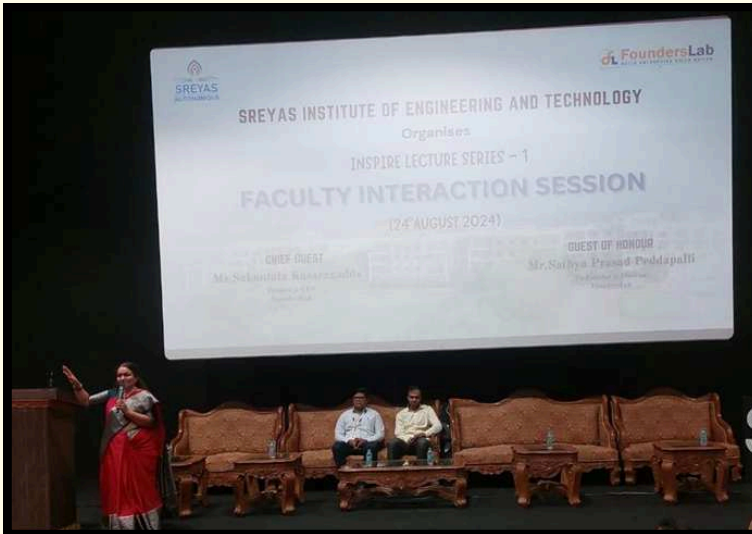

Freshers day event
conducted by Department
of CSE

FACULTY INTERACTION SESSION

On 24th August 2024, Sreyas Institute of Engineering and Technology in collaboration with Founders Lab hosted an interaction session titled Inspire Lecture Series-1 focused on fostering innovation and entrepreneurship among its faculty and Heads of Departments (HODs). The program aimed to equip participants with practical knowledge and skills essential for nurturing an entrepreneurial mindset within the academic community. Through interactive sessions and workshops, attendees explored various facts of innovation and entrepreneurship, discovering how these concepts can be integrated into their teaching, research, and administrative roles.

CARRIER GUIDANCE

A Career Guidance Event to study abroad was conducted at Sreyas Institute of Engineering and Technology, by Edvoy Beyond on 24th October 2024, to assist students in exploring international education opportunities. The session provided valuable insights into study programs, universities, and admission processes worldwide. Experts guided students on choosing suitable courses, application preparation, and scholarship options. Key topics included visa procedures, financial planning, and adapting to new cultural environments. Interactive Q&A sessions allowed students to clarify doubts and receive personalized advice. The event aimed to inspire and equip students with the knowledge to achieve their academic aspirations abroad, emphasizing the benefits of global exposure and diverse career prospects.

NSS EVENTS

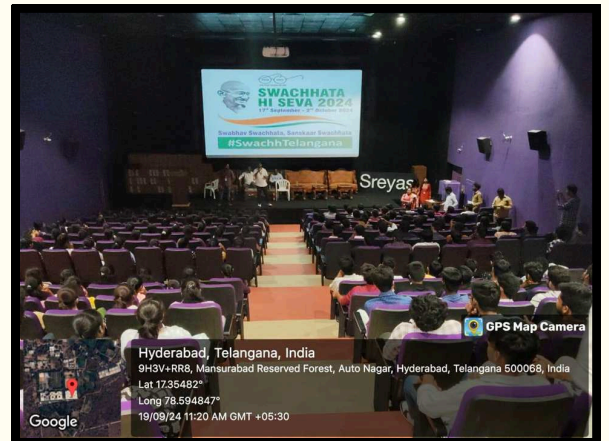

NSS Events at SIET focus on fostering social responsibility and community engagement among students. Activities include blood donation camps, tree plantation drives, and health awareness programs. Students participate in cleanliness campaigns, workshops on environmental conservation, and initiatives supporting underprivileged communities. Special events like youth leadership seminars and disaster management training are also organized. These programs aim to instill values of service, teamwork, and empathy while enhancing students' holistic development. The NSS events at SIET serve as a platform for students to contribute positively to society and build a sense of civic responsibility.
