

## Summary Report on Industrial Visit to CDFD

**Date of Visit:** 21<sup>st</sup> Nov 2024

**Industry Visited:** The Centre for DNA Fingerprinting and Diagnostics (CDFD)

**Location:** Hyderabad

**Participants:** 90

**Organized by:** DataScience Department

An Industrial Visit to “**The Centre for DNA Fingerprinting and Diagnostics**”, Hyderabad was organized by DataScience Department of SIET on Thursday, 21<sup>st</sup> Nov, 2024.

Ninety students from II year along with three faculties visited to CDFD, It is an autonomous organization founded by the Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India Technology.

The session started around 11a.m in the auditorium, explaining about CDFD and its importance, followed by a documentary video about the history and development of CDFD. They have explained about different types of tests and equipments that are used for different types of samples to test the DNA.

The students were very much interactive and showed lot of excitement to ask questions. The resource person has answered every single question to the students. It ended with Question and Answer session. Later students were headed to the laboratory and explored the biological labs and microscopical equipments.
